Jefferson College Seeks Input for Cultural Arts Events

As part of its comprehensive mission, Jefferson College hosts a variety of musical concerts, art exhibits, theatre productions, guest entertainers, and special performances each year.

In an effort to improve communication and outreach throughout the Jefferson County region, the College is seeking widespread feedback and input regarding its cultural arts and entertainment programs. The College is also interested in learning what types of programs residents would like to attend, along with suggestions on how to improve future presentations.

Those that would like to receive announcements about upcoming events at Jefferson College can send their name, address, phone number, and/or email address to the Jefferson College Marketing and Public Relations Office, email the information to culturalarts@jeffco.edu, or call (636) 797-3000, extension 103.
