GEERS II Relief Funds to Support New Grants for Students & Families

The Missouri Department of Elementary and Secondary Education has recently expanded the Parent Reimbursement Grant program (GEERS II) to include parent/student-purchased, DESE-approved CTE program-based training tools, equipment, and industry-specific professional clothing.

This funding will help parents and students ease the burden of purchasing required supplies and clothing for CTE programs at the Jefferson College Area Technical School.

In order to request reimbursement, please follow the steps below:

**STEP 1**
Review the [ATS 2021-22 Career Guide](bit.ly/ATS-GEERS2) to note which supplies are program “required” and therefore eligible for reimbursement.

**STEP 2**
Fill out the [GEERS 2 Grant Request Form](bit.ly/ATS-GEERS2).

**STEP 3**
Upload receipts for eligible purchases and submit with the GEERS 2 Grant Request Form. Note: Scanned copies of receipts are required by the State of Missouri for reimbursement.

**REIMBURSEMENT**
Final reimbursement amounts must be approved by your school district and the State of Missouri.
