Introducing Food Service Consultants Catering

FSC Catering would like to thank you for choosing us to be your caterer. We are located in the Student Center Building on the beautiful Jefferson College Campus. It is an ideal place for your breakfast, luncheon, dinner banquet or any other special occasion. We have seating available for up to 600 guests and meeting rooms that will accommodate 20 to 200. We are also available to serve you at any other location on the college campus.

FSC Catering has prepared this special event catering menu guide in order to present some examples of the unlimited variety of food items we have to offer. We are happy to help you plan your special event in order to meet your exact needs. Although we pride ourselves on being flexible and can serve events on short notice, we normally request a seventy-two (72) hour advance notice to insure that all arrangements are made.

FSC Catering reminds you that the prices indicated on these menus are to be used only as a guide in planning your budget. The actual number of guests and any special requests may affect the final price. The prices do include an attractive buffet presentation with linen table covers on the food line, skirting, all service equipment, floral or theme accents, high quality disposables and a uniformed professional staff to prepare and serve your meal. We will be happy to serve the meal to your guests at their table and provide for the rental of china, silverware, glassware, linen tablecloths, linen napkins and other items for a reasonable additional charge upon request. Linens for guest tables, if requested, will be supplied for $5.00 each. Billing will be based on the guaranteed number of guests provided forty-eight (48) hours in advance of the event or the actual attendance, whichever is greater. Unless advance arrangements have been made, payment in full will be expected upon completion of event. There is no gratuity required and if your group is tax exempt, please supply us with a copy of the tax exempt letter.

All prices are based on the event occurring during normal business hours. If your event is in the evening or on the weekend, additional labor charges may be incurred.

Cancellation Policy – An event and/or order may be cancelled with no charges up to seven (7) full business days prior to the event. Cancellation of services made less than three (3) full business days prior to the event may incur a charge for the food ordered/prepared.

FSC Catering is proud to be associated with Jefferson College and looks forward to serving you. Please feel free to call with any questions. We are eager to work with you and to make your “SPECIAL EVENT” a truly memorable one!
