QUESTION & ANSWERS

SHOULD I DROP A CLASS OR WITHDRAW?
There are several things you should consider before dropping or withdrawing from a class. If you receive FINANCIAL AID, dropping or withdrawing from the class may affect your eligibility, so check with Student Financial Services before dropping or withdrawing. Talk to your INSTRUCTOR about the class, perhaps things aren’t as bad as they seem. Is this course a PREREQUISITE for another class that you will need later? Dropping or withdrawing from a class may delay your graduation or transfer plans. Additionally, the class may not be offered again when you need it. Some classes are only offered one semester a year. It may be another year before you can re-enroll in this class. The College provides FREE TUTORS for classes. Visit the Academic Success Center, and they may be able to help you through the difficult times!

WHERE DO I GET MY STUDENT ID?
Students who are enrolled at Jefferson College will need a student identification card which also serves as their Library card. These cards will be issued to new students or for returning students in the Student Center at Hillsboro, Library Circulation Desk at Hillsboro, at Arnold, or at the Imperial campus. There is a fee for a replacement ID.

HOW DO I GET A PARKING TAG?
Pick up a registration form from the cashier in Hillsboro or the main counter at other campus locations. Return the completed form with your parking tag fee. You will receive your parking tag on the spot. Rules and regulations about driving and parking on campus are available on the Jefferson College website.

HOW DO I FIND OUT IF CLASSES ARE CANCELLED?
Inclement Weather Cancellation:
Announcements concerning class cancellations are carried on the following radio stations: KJFF AM (1400) Festus, KREI AM (800) Farmington, KTJJ FM (98.5) Farmington, WIL FM (92.3) St. Louis, and WRTH AM (1430) St. Louis. In addition, announcements of cancellations are made on JCTV (cable channel 21) and can be accessed at www.jeffco.edu. Class cancellations may also be accessed by calling the College at (636) 481-3000 or 797-3000. Additionally, text alerts will be sent to those enrolled in the Viking Text Message Service.

HOW DO I SIGN UP FOR VIKING TEXT MESSAGE SERVICE?
To register for this service, you must log into your MyJeffco account, then click on the “Viking Text Message Service” button on the Home tab. You will be asked to enter your cell phone number and cellular carrier.

CAN I BRING MY CHILDREN TO CLASS WITH ME?
Students are not permitted to bring children to class, nor should children be left unattended in the halls, offices, Library, Student Center, or outside on campus. The College reserves the right to protect the safety and welfare of unattended children. If students leave their children unattended, the College will institute appropriate action.

IS SMOKING PERMITTED ON CAMPUS?
Jefferson College is a tobacco-free and smoke-free campus as of Fall 2014.

HOW DO I APPLY FOR GRADUATION?
Students are encouraged to apply for graduation when registering for their final semester to ensure all course requirements are met. Graduation applications are available through the Student Center, Jefferson College-Arnold, Jefferson College-Imperial, on the Jefferson College website and on the Student tab in MyJeffco. Deadlines to apply for graduation are September 1 for fall/winter intersession, February 1 for spring/summer intersession, and June 1 for summer. Commencement will be held on May 16, 2020.

STUDENT CONDUCT CODE

The College recognizes that students are both citizens and members of the academic community. As citizens, students enjoy the same freedoms and rights that all citizens enjoy — freedom of speech and assembly, freedom of association, freedom of the press, right of petition, and right of due process. As members of the academic community, students are expected to conduct their affairs in accordance with the standards set forth in this Student Code of Conduct. Because the College must maintain its credibility as an institution of higher education, it has established and maintains standards of academic honesty against which students are regularly evaluated in the performance of their course work.

Upon enrolling in the College, each student assumes an obligation to conduct himself/herself in a manner compatible with the College’s function as an educational institution and to comply with the laws enacted by Federal, State, and local governments. If this obligation is neglected or ignored by the student, the College must, in the interest of fulfilling its function, institute appropriate disciplinary action. The application of these procedures shall not be construed to imply immunity from civil or criminal proceedings.

consideration and disposition of student conduct cases.

c. Notice: The Vice President of Student Services shall initiate disciplinary actions by
arranging with the chairperson to call a meeting of the Student Conduct and Appeals Committee and by giving written notice
by certified mail or personal delivery to the student charged with misconduct, which shall set forth the date, time, and place of
the alleged violation, the conduct to be inquired into, and the date, time, and place of hearing before the Student Conduct and
Appeals Committee. Notice by certified mail may be addressed to the last address currently on record with the College.

Failure by the student to have his/her current correct local address on record with the College shall not be construed to
invalidate such notice. The notice shall be given at least ten (10) consecutive calendar days prior to the hearing, unless a
shorter time has been fixed by the chairperson for good cause. Any request for continuance shall be made in writing to the
chairperson, who shall have the authority in his/her discretion to continue the hearing if he/she determines the request is timely
and made for good cause. The chairperson shall notify the Vice President of Student Services and the student of the new date for the hearing. If the student fails to appear at the scheduled time, the committee may hear and determine the matter in his/her absence.

d. Conduct of Hearing: The chairperson shall preside at the hearing, call the hearing to order, call the roll of the Committee in attendance, ascertain the presence or absence of the student charged with misconduct, read the notice of hearing and charges and certify the receipt of notices of charges by student, report any continuances requested or granted, establish the presence of any adviser of the student, call to the attention of the student charged, and the student’s adviser, any special or extraordinary procedures to be employed during the hearing, and permit the student to make suggestions of or objections to any procedures for the Student Conduct and Appeals Committee to consider.

1. Opening Statements: (1) The Vice President of Student Services shall make opening remarks outlining the general nature of the case and testify to any facts the investigation has revealed. (2) The student may make a statement to the Committee about the charge at this time or at the conclusion of the College’s presentation, at his/her election.

2. College Evidence: (1) College witnesses are to be called and identified or written reports or evidence introduced as appropriate. (2) The Committee may question witnesses at any time. (3) The student or, with permission of the Committee, his/her adviser may question witnesses or examine evidence at the conclusion of the College’s presentation.

3. Student Evidence: The student shall have the opportunity to make a statement to the Committee about the charge, and may then present further evidence through witnesses or in the form of written memoranda as he/she desires. The Committee may question the student or witnesses at any time. The Vice President of Student Services may question the student or witness.

4. Rebuttal Evidence: The Committee may permit the College or the student to offer any matter in rebuttal of the other’s presentation.

e. Rights of Student Conduct and Appeals Committee: The Student Conduct and Appeals Committee shall have the right: (a) in cases involving more than one student which arise out of the same transaction or occurrence, to hear such cases together (in that event, separate findings and determinations for each student shall be made); (b) to permit a stipulation of facts by the Vice President of Student Services and the student involved; (c) to permit the incorporation in the record by a reference of any document, affidavit, or other thing produced and desired to be incorporated in the record by the College or the student at any time; (d) to question witnesses or other evidence introduced by either the College or the student at any time; (e) to hear from the Vice President of Student Services about dispositions made in similar cases and any dispositions offered to the student appearing before the Committee; (f) to call additional witnesses or require additional investigation; (g) to dismiss any action at any time or permit informal disposition as otherwise provided; (h) to at any time permit or require amendment of the Notice of Hearing to include new or additional matters which may come to the attention of the Committee before final determination of the case, provided, however, that in such event, the Committee shall grant to the student or Vice President of Student Services such time as the Committee may determine reasonable under the circumstances to answer or explain such additional matters; (i) to dismiss any person from the hearing who interferes with or obstructs the hearing or fails to abide by the rulings of the chairperson or the Committee on request; and (j) to summarily suspend students from the hearing who, during the hearing, obstruct or interfere with the course of the hearing or fail to abide by the ruling of the chairperson of the Committee on any procedural question or requests of the chairperson for order.

f. Student Rights Upon Hearing: A student appearing before the Student Conduct and Appeals Committee pursuant to formal notice of charges and disciplinary hearing shall have the right: (a) to be present at the hearing; (b) to have an adviser of his/her choice appear with him/her and to consult with such advisor during the hearing; (c) upon timely request, to have students from the Discipline Panel sit with the Committee in his/her case; (d) to hear or examine evidence presented to the Committee against him/her at the hearing; (e) to present evidence by witness or affidavit of any defense the student desires; (f) to make any statement to the Committee in mitigation or explanation of the conduct in question that the student desires; (g) to be informed in writing of the findings of the Student Conduct and Appeals Committee and any discipline it imposes; and (h) to appeal to the President or Board of Trustees as herein provided.

g. Determination by Committee: At the close of the hearing, the Vice President of Student Services and the student charged will be excused and the Student Conduct and Appeals Committee, in executive session, shall then make its findings and determination.
Separate findings are to be made (a) as to the conduct of the student and (b) on the discipline, if any, to be imposed. No discipline shall be imposed on the student unless a majority of the Committee present is reasonably convinced by the evidence and indicates by vote that the student has committed the violation charged and should be therefore disciplined.

h. Official Report of Findings and Determinations: The Committee shall promptly transmit both its findings and determination to the Vice President of Student Services and the student charged forthwith.

i. Other Procedural Questions: Procedural questions which arise during the hearing not covered by these general rules shall be resolved by the chairperson, whose ruling shall be final unless the chairperson shall present the question to the Committee at the request of a member of the Committee, in which event the ruling of the Committee by majority vote shall be final.

j. General Rules of Decorum: The following general rules of decorum shall be adhered to:
(a) All requests to address the Committee shall be addressed to the chairperson. (b) The chairperson shall rule on all requests and points of order and may consult with the Committee’s legal adviser prior to any ruling. The chairperson’s ruling shall be final and all participants shall abide thereby, unless the chairperson shall present the question to the Committee at the request of a member of the Committee, in which event the ruling of the Committee by majority vote shall be final. (c) Rules of common courtesy and decency shall be observed at all times by all parties present. (d) An advisor may be permitted to address the Committee at the discretion of the Committee. An advisor may request clarification of a procedural matter or object on the basis of procedure at any time by addressing the chairperson after recognition.

Section 8. Record of Hearing
A taped or stenographic record of the hearing shall be maintained. The hearing record shall be maintained and kept as long as the discipline imposed shall be in force, or for five (5) years, whichever is earlier. The notice, exhibits, hearing record, and the findings and determination of the Committee shall become the “Record of the Case” and shall be filed in the office of the Vice President of Student Services and, for the purpose of appeal, be accessible at reasonable times and places to both the College and the student. Minutes of the hearing are confidential and shall not be given general distribution.

Section 9. Right of Appeal
a. When a student is suspended, expelled, or dismissed by the College or by the Student Conduct and Appeals Committee, the Vice President of Student Services or the student may appeal such decision to the President of the College by filing written notice of appeal with the President of the College within ten (10) consecutive calendar days after notification of the decision of the Student Conduct and Appeals Committee. A copy of the Notice of Appeal will be simultaneously given by the student to the Vice President of Student Services or by the Vice President to the student. The appealing party may file a written memorandum for consideration by the President with the Notice of Appeal, and the President may request a reply to such memorandum by the student or the Vice President of Student Services.

b. The President shall review the full record of the case and the appeal documents and may affirm, reverse, or remand the case for further proceedings and shall notify the Vice President of Student Services and the student, in writing, of the decision on the appeal.

c. The Vice President of Student Services or the student may thereafter appeal to the Board of Trustees of Jefferson College by filing a written Notice of Appeal with the President of the College and the Secretary of the Board of Trustees and giving notice to either the student or the Vice President of Student Services, as appropriate. Such Notice of Appeal must be filed within ten (10) days of the notification of action by the President. Upon the filing of a Notice of Appeal to the Board, the President shall cause the record of the case, including any written memoranda received during his/her consideration, to be promptly filed with the Secretary of the Board through the Office of the President.

d. The appealing party may file a written memorandum for consideration by the Board of Trustees with the Notice of Appeal if the student so desires, and the President may file a written reply within ten (10) consecutive calendar days.

e. The Board of Trustees shall take such action on the appeal as it deems appropriate and may require a new hearing (de novo) on the issues made on the appeal. The Secretary of the Board shall notify the student, the Vice President of Student Services, the chairperson of the Student Conduct and Appeals Committee, and the President in writing of the decision of the Board.

Section 10. Right to Petition for Review
a. In all cases where the discipline imposed by the Student Conduct and Appeals Committee is other than suspension or expulsion, the Vice President of Student Services or the student may petition the President in writing for a review of the decision.
within five (5) consecutive calendar days after the notification of the decision of the Student Conduct and Appeals Committee and by serving a copy of the Petition for Review upon the non-appealing party within such time. The Petition for Review shall cite the ground or reasons for review, and the non-appealing party may answer the petition within five (5) consecutive calendar days if the student so desires.

b. The President may grant or refuse the right of review. If the President reviews the decision, the action of the President shall be final unless the decision is to refer the matter for further proceedings.

Section 11. Status During Appeal
In cases of suspension or expulsion where a Notice of Appeal is filed within the required time, a student may petition the appellate authority in writing for permission to attend classes pending final determination of the appeal. The appellate authority may permit a student to continue in school under such conditions as may be designated pending completion of appellate procedures provided such continuance shall not seriously disrupt the College or constitute a danger to the health, safety, or welfare of the College community. In such event, however, any final disciplinary action imposed shall be effective from the date of the action of the Student Conduct and Appeals Committee.

Section 12. Notification of a Victim
a. A person who is a victim of any misconduct for which disciplinary proceedings are conducted under this code is entitled to participate in all proceedings, except for the final deliberative process in which the hearing officer or panel weigh the evidence presented and arrive at a decision.

b. If the subject matter of the disciplinary proceeding involves a crime(s) of violence and/or sex offense(s) and the accused is determined to have committed the act, the Vice President of Student Services is required to notify the victim of the outcome of the disciplinary proceedings within five (5) business days after the proceedings have been concluded.

c. If the student(s) against whom a sanction(s) is rendered discusses the judicial process, or the outcome of the judicial process, in a public forum, any claim to confidentiality is waived.

**SEXUAL VIOLENCE AWARENESS AND REPORTING PROCEDURE**

Jefferson College recognizes sexual violence as a serious campus concern and a violation of the rights and dignity of the individual. It will not be tolerated on College property or at any College-sponsored activity. Jefferson College is committed to preventing sexual violence through incorporation of educational programming and the adoption of clear guidelines informing students, faculty, and staff of the College’s procedures in handling such cases. Sexual violence is a serious violation of the Student Conduct Code, and violators will be subject to disciplinary action, including possible suspension or expulsion. Below are general definitions of sexual violence.

*Sexual Violence: For purposes of this policy, Sexual Violence collectively refers to the terms “Sexual Assault,” “Domestic Violence,” “Dating Violence,” and “Stalking,” as defined in this policy.*

**Sexual Assault** (Sex Offenses). Any sexual act directed against another person, without consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or temporary or permanent mental impairment or if force was used or threatened.

a. Rape is the penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This offense includes the rape of both males and females.

b. Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

c. Incest is sexual intercourse between persons who are related to each other within the degrees where in marriage is prohibited by law.

d. Statutory Rape is sexual intercourse with a person who is under the statutory age of consent.

*The definition of Sexual Assault is not intended to prohibit the use of sexually explicit materials in or outside of the classroom, when in the judgment of a reasonable person the materials are related to the academic mission and appropriate to learning.*
**Consent** is defined as words or actions that show a knowing and voluntary agreement to willingly engage in agreed upon sexual activity. Consent cannot be gained by force, requires communication between all involved individuals, and must be obtained one step at a time, e.g., consent for oral sex does not constitute consent for intercourse. Silence, non communication, passivity, or lack of resistance should not be interpreted as an indication of consent. Previous consent does not imply consent to any future form of sexual activity. Consent can be rescinded at any time.

Consent is not valid if: (a) it is given by a person who lacks the mental capacity to authorize the conduct and such mental incapacity is manifest or known to the actor; or (b) it is given by a person who by reason of youth, mental disease or defect, intoxication, a drug-induced state, or any other reason is manifestly unable or known by the actor to be unable to make a reasonable judgment as to the nature or harmfulness of the conduct; or (c) it is induced by force, duress, or deception.

**Domestic Violence** is defined as a felony or misdemeanor crime of violence committed by:

- A current or former spouse or intimate partner of the victim;
- A person with whom the victim shares a child in common;
- A person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner;
- A person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or
- Any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

**Dating Violence** is defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party’s statement, with consideration of length of relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of Domestic Violence.

**Stalking** is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for her or his safety or the safety of others; or suffer substantial emotional distress.

For purposes of this definition:

- “Course of conduct” means two or more acts, including, but not limited to, acts which the stalker directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person’s property;
- “Substantial emotional distress” means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling; and
- “Reasonable person” means a reasonable person under similar circumstances and with similar identities to the victim.

**AVOIDING THE OCCURRENCE OF SEXUAL VIOLENCE**

All members of the College community are advised to exercise caution while on campus both day and night. Although students, faculty, and staff comprise the majority of people on campus, many non-college individuals visit daily. Consequently, students and employees must use good judgment and make wise decisions in the course of daily activities on the campus.

**SPECIAL PRECAUTIONS ARE ADVISED IN THE FOLLOWING SITUATIONS:**

- Always lock your car and the doors to your residence.
- Be aware of your surroundings. Stay away from bushes and shrubs in isolated areas where someone could be hiding; be aware of others around you in case you need help.
- Carry your keys in your hand with the key you will use next held separately. It will lessen the time needed to open the door. A key also makes a good weapon in case you are attacked.
- Do not walk alone at night.
- If you are attacked, yell, if you can. Yelling alone could scare away your attacker. Yell “911” and people will know you are in trouble.
• If you are attacked, you have the right to defend yourself, even if it means hurting the other person.
• If you jog or walk for exercise, don’t take the same route every day. An attacker may observe your pattern for several days before he/she decides to assault you.
• Keep valuables out of sight.
• Let others know where you are and with whom.
• Look in the back seat of your car before you enter it.
• Take a self-defense class. Trust your instincts. If you see someone suspicious, go to the nearest place of safety and call for help.
• Walking with confidence may deter an attacker.

PROCEDURES FOR REPORTING SEXUAL VIOLENCE AND RECEIVING HELP

1) Report the violence to Campus Police either in person or by telephone (636) 481-3500. Campus Police will assist in notifying the Jefferson County Sheriff’s Department, as requested. Even if you don’t want to file charges, you can file an informational report that may help the police locate the attacker.

2) Following the report given to the police, the victim is strongly advised to seek medical assistance from a local hospital. Mercy Hospital Jefferson, Crystal City, MO. Phone: (636) 933-1111.

3) Report the incident to the Title IX Coordinator, the Director of Student Compliance - Student Center 211, (636) 481-3258/797-3000, ext. 3258 or ksahr@jeffco.edu.

4) While the College encourages students and employees to bring reports of discrimination, harassment, and Sexual Violence to the attention of the College for investigation and response, the College also understands that some individuals may wish to speak confidentially about their circumstances. Any victim of discrimination, harassment, or Sexual Violence should be aware that College employees who receive such reports are required to notify the College’s Title IX Coordinator and Compliance Coordinator of any such reports of discrimination, harassment, or Sexual Violence. The only individual affiliated with the College with whom students may speak confidentially is Sandy Davis, a COMTREA licensed professional counselor who provides services at Jefferson College. Students and employees may speak confidentially to off-campus rape crisis counselors and off-campus members of the clergy.

5) A victim of Sexual Violence is highly encouraged to participate in follow-up counseling. Failing to openly address the emotional trauma of Sexual Violence can be devastating to the victim. Usually, victims undergo tremendous stress and fear of normal social interaction following such an incident. Thus, learning to cope with a multitude of feelings and fears can be accomplished through ongoing counseling. The victim may seek counseling assistance by contacting Sandy Davis, a COMTREA licensed professional counselor who provides counseling services at Jefferson College. Victims may choose to utilize the Counseling services at Jefferson College, which are confidential and free for any college student currently enrolled, or a list of off campus referrals will be made available. Phone: (636) 481-3233.

GUIDELINES FOR PRESERVING EVIDENCE OF SEXUAL VIOLENCE

Although adhering to the guidelines is extremely difficult under such traumatic conditions, the victim helps law enforcement agencies in the preservation of evidence when following these three recommendations.

1) Do not bathe, shower, douche, or change clothes.
2) Do not disturb the crime scene; save all clothing and items involved.
3) Do not brush teeth, drink anything, or smoke a cigarette until you have been examined.

SPECIAL PROCEDURAL PROTECTIONS FOR REPORTS OF SEXUAL VIOLENCE
The College will provide written notification to victims of Sexual Violence containing information about existing services, the availability of interim measures, and an explanation of their rights under College policies and procedures. Any individual who reports to the College that he or she is the victim of Sexual Violence will receive written notification regarding community and College-based existing counseling health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid assistance; information about the availability of interim measures or accommodations, and a written explanation of the individuals’ rights and options under relevant College policies or procedures.

Individuals reporting Sexual Violence may notify the Jefferson College Police Department, but are not required to do so. The existence of a criminal investigation or proceeding will not delay the College’s own investigation or disciplinary proceedings. Individuals reporting violations of the College’s prohibition against Sexual Violence may request interim measures or accommodations. Such measures may include, but are not limited to, no contact orders; no trespass notices; academic accommodations, such as course changes or other appropriate arrangements; residential accommodations for individuals living on campus; changes in employment arrangements if applicable; assistance with accessing counseling, disability services, safety escorts, etc.; and information and assistance with filing a report with law enforcement and/or seeking restraining orders or orders of protection. Such requests should be made to the Title IX Coordinator. The Coordinator or designee will assess the need to implement any such accommodations and/or interim measures and will provide these accommodations and/or interim measures if they are reasonably available and requested by the victim. The College will keep confidential, to the extent practicable, any accommodations and/or interim measures provided to the victim.

The Jefferson College Police Department is responsible for enforcing any judicially issued protective measures, such as an Order of Protection, Restraining Order, or similar order. The Jefferson College Police Department can assist individuals in seeking such Orders, and should be provided with a copy of any Order obtained by a member of the campus community.

Prior to proceeding with the procedures described in the College’s Non-Discrimination and Complaint Procedure, the College will notify the victim. If the victim does not wish to proceed with this process or does not consent to the disclosure of his/her name to the alleged assailant, the College’s ability to respond to the alleged assault may be limited. While the College will generally try to honor a victim’s wishes with regard to pursuing a complaint, there may be circumstances where the College determines that ensuring the safety of the campus community requires that some investigation or adjudication process be pursued. If the College makes such a determination, the Title IX Coordinator will notify the victim and will work to minimize the impact of the College’s investigation and adjudication process on the victim. The College prohibits retaliation against individuals reporting Sexual Violence, and complaints of retaliation may be addressed by the Title IX Coordinator.

Both the victim and respondent will have equal rights/access during any investigation or adjudication process.

3. Before making the report, a student who believes that he or she has been subjected to discrimination/harassment is not required to confront the individual who is the subject of the student’s concern.

4. Any College supervisor or administrator who receives a report, orally or in writing, regarding discrimination/harassment must notify the Compliance Coordinator within one (1) school day or within a reasonable time thereafter for good cause.

5. Both the victim and respondent will have equal rights/access during any investigation or adjudication process. This will include having an individual accompany them throughout the hearing process and being informed of the outcome of the hearing, including the final determination and any sanction that is imposed against the accused.

INVESTIGATION OF COMPLAINTS

The College desires to promptly address complaints and has established a protocol for handling such complaints. This protocol sets forth specific deadlines within which various phases of the process are intended to occur. These deadlines are subject to extension by the College for good cause or if extenuating circumstances exist. Regardless, the College remains committed to a prompt investigation and resolution of submitted complaints.

1. Upon receipt of a report of discrimination/harassment, the Compliance Coordinator may choose to investigate the complaint or may, alternatively, appoint an investigator from the College to investigate the complaint.

2. The investigation shall be conducted in the manner deemed appropriate by the Compliance Coordinator. The College desires to investigate complaints in a prompt and thorough manner. The following time frames will apply:
   a. The investigation must be commenced within two (2) school days of the Compliance Coordinator’s receipt of the report of discrimination/harassment.
   b. Absent extenuating circumstances, investigations will be completed within ten (10) school days after the investigation commences. Changes or additions to a complaint will typically require an extension of time to ensure that the complaint is properly investigated. Similarly, scheduling issues and the unavailability of witness or relevant documents may also necessitate an extension of time.

3. Investigation files shall be maintained separately from student educational files and employee personnel files.

4. Confidentiality of personally identifiable student information obtained during investigations will be maintained in accordance with federal and state law. The College desires to protect the identity of complainants for as long of a time period as it is able to do so in accordance with law.

RESOLUTION OF COMPLAINTS

1. At the conclusion of the investigation, the completed investigation report shall be provided to the appropriate administrative official who is charged with making the determination with respect to the validity of the complaint. Where he/she deems it appropriate, the Compliance Coordinator himself/herself is permitted to make this determination.

2. This administrative official will review the investigation report and make a determination regarding the validity of the complaint within five (5) school days after submission of the report. This administrative official may, alternatively, determine that further investigation is necessary and, as such, refer the matter for additional investigation. When such additional investigatory steps are completed, the matter shall once again be submitted to this administrative official for decision.

3. One of the following determinations will typically be made with respect to the complaint:
   a. unsubstantiated;
   b. substantiated prohibited conduct (in whole or in part)

4. Regardless of the determination made with respect to the complaint, the College may take appropriate action to minimize the opportunity for future issues or concerns to arise.
5. Notification of Determination Regarding Complaint:
   a. Within five (5) school days after the determination has been made regarding the complaint, notice of the determination will be mailed or given to the complainant.
   b. If a complainant disagrees with the determination made regarding discrimination/harassment, the complainant may appeal the decision to the Compliance Coordinator (or to the Board of Trustees if the Compliance Coordinator has made the determination that is being challenged.) The complainant must submit a written appeal to the Compliance Coordinator no later than five (5) school days after the notification to the complainant has occurred. The written appeal should specifically state what is being appealed, the reason for the appeal, and the action that is desired.
   c. When an appeals has been made, the appeal will be processed as follows:
      The appeal will be considered by one of the following:
      1. If a College official other than the Compliance Coordinator made the determination, the Compliance Coordinator will review the determination within five (5) school days or within a reasonable time thereafter for good cause. If the Compliance Coordinator made the determination as to the validity of the complaint, the Compliance Coordinator will send the appeal to the Board of Trustees, which will review the determination at its next regularly scheduled meeting (or, at its option, at any meeting within thirty (30) days after the appeal is received).
      2. As an alternative, either the Compliance Coordinator or the Board of Trustees may appoint a “Determination Review Officer” to review the determination. This person will review the determination within a reasonable period after appointment but not later than thirty (30) days unless additional time is, in his/her judgment, necessary for a fair review.
   d. The review will examine the documentation relating to the matter - meaning the written appeal, complaint, investigation report, and determination. This provision does not grant the complainant the right to an in-person hearing or other appearance before the reviewer. The reviewer may, in the reviewer’s sole judgment and discretion, contact any individual to seek additional information if the reviewer deems such information necessary to reach a decision upon the appeal.
   e. Regardless of who reviews the matter, the complainant will be advised in writing of the outcome of the review within seven (7) school days after the completion of the review.

6. If a complaint is substantiated (in whole or in part), and the offender is a student, disciplinary and/or other remedial action will be taken in accordance with Board-established student discipline regulations and/or in accordance with federal and state law.

7. Complaints regarding employees will be resolved utilizing the following procedures: Board Procedure II-001.5, Illegal Discrimination and Harassment Complaints (including Sexual Harassment) and Board Procedure II-001.2 Employee Conduct.

8. The ultimate decision as to what action to take to remedy the matter is within the discretion of the College, in accordance with law. The filing of an appeal to challenge the determination does not stay or postpone the College’s ability to initiate disciplinary or remedial action.

9. There will be no retaliation against or adverse treatment of an individual who uses this procedure to resolve a concern.

**CONSEQUENCES AND DISCIPLINE**

1. Any student who engages in discrimination/harassment while on College property or while participating in College activities, regardless of location, will be subject to disciplinary and/or remedial action. Specific disciplinary measures may be taken consistent with College student discipline rules/regulations and in accordance with the administration’s professional judgment.

2. Any student who alleges or otherwise brings a false charge of discrimination/harassment shall receive appropriate discipline. The term “false charge” means an allegation that is brought in bad faith (i.e., without the good faith belief that one has been subjected to such discrimination/harassment).

3. The effectiveness of the College’s prohibited discrimination/harassment policies and regulations are dependent upon the receipt of truthful information. Thus, students are expected to be truthful throughout the intake, investigation, and resolution process.

**COMPLAINT FORM**

The College has developed a sample complaint form, which may be used to submit a complaint. The College strongly encourages, but does not mandate, the use of this form. This form may be obtained in the office of the Compliance Coordinator and/or downloaded from [www.jeffco.edu/titleix](http://www.jeffco.edu/titleix) or directly at [https://www.jeffco.edu/sites/default/files/studev/ComplaintForm.pdf](https://www.jeffco.edu/sites/default/files/studev/ComplaintForm.pdf)
PROHIBITION POLICY AGAINST DRUG AND ALCOHOL ABUSE

Jefferson College intends to provide a drug free, healthful, and safe educational environment for students and other members of the College community.

The unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance or alcohol on Jefferson College-owned or controlled property, or at any College-sponsored activity is expressly prohibited by the Student Conduct Code. Violation of this policy by students will result in disciplinary action including suspension or dismissal.

In addition to College disciplinary actions, violators of this policy are also subject to civil prosecution where the offense is prohibited by state. Statutes of the State of Missouri and federal or local municipal and county governments shall take precedence over any actions taken by Jefferson College.

Student violations of this policy are to be referred to the Vice President of Student Services or other appropriate College official for disciplinary action and/or legal prosecution. College disciplinary action may be accompanied by a requirement of satisfactory attendance in a drug/alcohol abuse assistance or rehabilitation program as a condition of future attendance at the College. Jefferson College recognizes drug/alcohol dependency to be an illness presenting major health problems ranging from temporary disorientation to permanent organ damage or death. Students needing assistance in dealing with drug/alcohol dependency are encouraged to make contact with College counselors who will provide confidential assistance, information, or appropriate assistance sources in the area.

Jefferson College will inform students and employees of the College Drug and Alcohol abuse Policy on an annual basis and provide information on community resources available to assist individuals in dealing with drug/alcohol related problems. Additionally, the College will make drug/alcohol abuse information and educational information available to members of the College community on an ongoing basis and will review its Drug and Alcohol Abuse Policy and prevention efforts biennially. Several appropriate sources of assistance are available and may be contacted directly for assistance.

ACADEMIC COMPUTER USE POLICY

PURPOSE
As part of its educational mission, Jefferson College strives to provide quality computing facilities. Each computer user is responsible for use of the computing resources in an effective, efficient, ethical, and lawful manner. Please note that computing at Jefferson College is a privilege, not a right. Each individual is responsible for selecting, viewing, and utilizing appropriate resources and avoiding excessive use of the system that could interfere with other College purposes. It is the objective of Jefferson College to maintain an atmosphere of constructive learning, academic freedom, and proper asset management and control. The following policies and practices are intended to be helpful in the appropriate use of Jefferson College’s technology resources.

USER ELIGIBILITY
All users must adhere to the Jefferson College Academic Computer Use Policy. Scheduled classes have priority use of the computer labs. Non-class users may be asked to leave during class sessions.

Community members who would like to use a campus computer lab should contact a library staff member. Approval will be based on availability of computers and an agreement to abide by the policies. All computer users under the age of 18 who are not currently enrolled in a Jefferson College credit class must have written parental consent on file in order to use the Internet. Parents should contact a staff member to obtain a Parental Consent Form for Computer Use. Users may be asked to show a photo ID and/or sign in to use a campus computer. Sign in data is used to generate usage reports to determine staffing needs.

GENERAL GUIDELINES
Access to computing resources is contingent upon prudent and responsible use. Inappropriate use of computing services and facilities will not be tolerated and may result in loss of computing privileges. In addition, disciplinary and/or legal action will be pursued for violation of these codes and statutes through appropriate procedures. To obtain additional information regarding the procedures and additional sanctions, students should refer to the Student Conduct Code found on page 24 in this handbook. All computer users are expected to observe ethical behavior in the use of College equipment and services.

Examples of inappropriate behavior include the following:
• Wasting limited resources, such as excessive printing or printing multiple copies
• Disproportionately using computing resources
• Altering, changing, or deleting hardware and software configurations
• Loading unlicensed applications/program software onto lab computers
• Simultaneously using multiple computers
• Using College computing facilities for commercial purpose
• Interfering in any way with another’s use of College equipment or services
• Causing a disturbance or nuisance in the computer lab

Examples of unacceptable, zero tolerance behavior include the following:
• Knowingly introducing a computer virus or other destructive program
• Creating, disseminating, or possessing pornography
• Possessing or using programs, files, or instructions for violating system security
• Intimidating or creating an atmosphere of harassment based upon gender, race, religion, ethnic origin, creed, or sexual orientation
• Creating an “offensive educational environment”

College staff members have the authority to revoke computer lab privileges for any person engaged in inappropriate or unacceptable use of the computer lab. Disregard of any warnings issued or sanctions made will result in referral to the Vice President of Student Services for disciplinary action. Community members in violation of computer use policy will be referred to the appropriate supervisor or Campus Police.
No person may use College computing resources to violate any state or federal laws. Such actions will result in notification of the appropriate authorities. Examples of illegal use include the following:

- Creating, disseminating, or possessing child pornography
- Violation of copyright law (i.e. making illegal copies of copyrighted material. Such materials may include software, movies, music. For example, peer-to-peer file sharing is often used illegally)
- Fraudulent, threatening, or obscene e-mail, graphics, or other electronic communications
- Unauthorized entry into secure web sites or servers

Please note that, using a computer to review what may be considered pornographic or obscene material violates Student Conduct Code, III, Behavioral Misconduct, as outlined on page 25 in this handbook. Misuse of computers including but not limited to creating an “offensive educational environment” and “causing a disturbance or nuisance in the computer lab” violates Student Conduct Code, II, Interference with the Educational Mission of the College, as outlined on page 25 in this Student Handbook. Computer users conducting research on a topic that may be considered harassing should contact the Director of Library Services to make other arrangements.

Responsibility

Jefferson College and its staff are not liable for any damages and/or losses associated with the use of any of its computer resources or services or incurred by loss of service. Users are encouraged to save often to removable media, not the computer.

NOTE: The terms lab, computer lab(s), and campus computer lab also refer to the computers in the Library at all Jefferson College locations. The term community member(s) also refers to Community Borrowers or any library user.

Cell Phone Use in Classrooms

As a member of the learning community, each student has a responsibility to other students who are members of the community. When cell phones or pagers ring and students respond in class or leave class to respond, it disrupts the class. Jefferson College prohibits the use by students of cell phones or similar communication devices during scheduled classes. All such devices must be turned off or put in a silent (vibrate) mode and ordinarily should not be taken out during class. Given the fact that these same communication devices are an integral part of the College’s emergency notification system, an exception to this policy would occur when numerous devices activate simultaneously. When this occurs, students may consult their devices to determine if a College emergency exists. If that is not the case, the devices should be immediately returned to silent mode and put away. Other exceptions to this policy may be granted at the discretion of the instructor.

Sanctions for violation of this policy are determined by the instructor and may include dismissal from the class.

Official Student Records

Official records are maintained on each student enrolled in the College. Procedures for development and use of cumulative record files are written to comply with the Family Educational Rights and Privacy Act of 1974 as amended. Information placed in student records is limited to those items necessary to fulfill the purpose of student records as stated above or as may be required by law, by state regulation, or as authorized by the Board of Trustees.

Notification of Rights Under FERPA

The Family Educational Rights and Privacy Act of 1974 as amended (FERPA) affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student’s education records within 45 days of the day the College receives a request for access. Students should submit to the Registrar, Dean, or other appropriate official, written requests that identify the records they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading. Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.
If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interest. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

As of January 3, 2012, the U.S. Department of Education’s FERPA regulations expanded the circumstances under which students’ education records and personally identifiable information (PII) contained in such records — including the student’s Social Security Number, grades, or other private information — may be accessed without the students consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (“Federal and State Authorities”) may allow access to the student’s records and PII without the student’s consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is “principally engaged in the provision of education,” such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to the student’s education records and PII without the student’s consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive the student’s PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without the student’s consent PII from the student’s education records, and they may track the student’s participation in education and other programs by linking such PII to other personal information about the student that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Jefferson College may make available to the public the following directory information: name, address, telephone number, date of birth, Jefferson College e-mail address, dates of attendance at Jefferson College, full or part-time enrollment status, major area of study, participation in officially recognized sports, degrees or certificates awarded, awards received, photograph, and the most recent prior school attended. Additionally, students are included in graduation lists, dean’s lists, and enrollment lists to the military. If the student objects to the release of directory information, the student should contact the Office of Enrollment Services before beginning classes. New and returning students are advised that the social security number is voluntarily disclosed and is maintained as confidential information.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the office that administers FERPA are: Family Policy Compliance Office; U.S. Department of Education; 400 Maryland Avenue, SW; Washington, DC 20202-5920.

Any other records shall be of a temporary nature and shall be destroyed when their usefulness is no longer apparent or when the student leaves the College. Guidelines for periods of retention and methods of destruction are consistent with state and national standards.
A Jefferson College student may appeal any instance of misapplication of College policy, procedure, or practice which adversely affects him/her. Under this process, the student may not appeal the following:

A. The receipt of a grade or academic sanctions; or
B. Established College policies or procedures; or
C. The outcome of procedures that already include appeal processes such as the Student Code of Conduct or the Non-Discrimination and Complaint Procedure

The College Student Appeal Process provides the student due process in the resolution of appeals. Where a specific College process is provided for resolution of a complaint, it must be used. The decision shall be final if the student fails to employ the steps and time periods of the Student Appeals Process.

A student who alleges that he/she has been adversely affected by the misapplication of College policy, procedure, or practice shall first meet informally with the person applying the policy, procedure, or practice to discuss the situation in an attempt to reach an informal resolution. If this meeting does not resolve the situation, the following process of appeal shall be used if any appeal is filed:

1. The student shall, within five class days of knowledge of the circumstance, submit written material to the College official who allegedly misapplied College policy, procedure, or practice. The written materials should indicate that a formal appeal of the issue is being initiated, request reconsideration, explain the situation being appealed, the basis for the appeal, including the policy, procedure, or practice, and produce any written evidence. The student and employee of the College shall meet within two class days after receipt of the materials. The employee shall provide the student a written decision within two class days following the meeting.

2. If the initial formal decision is adverse to the student, she/he may appeal the decision to the employee’s immediate supervisor within five class days thereafter except if the immediate supervisor is a senior College official, the process moves to paragraph three.

The supervisor will be provided copies of all previously considered materials from the student and written materials from the employee on which the earlier decision was based. The supervisor will review all supporting materials submitted as well as any other relevant materials and will meet with student and employee within five class days thereafter to further discuss and clarify the question at issue. The supervisor will render a written decision to student and employee within five class days thereafter to further discuss and clarify the question at issue. The supervisor will render a written decision to student and employee within two further class days. The student may appeal the decision of the supervisor to the Student Appeals Committee within two class days after receipt of the decision on written notice to the College President.

3. The Student Appeals Committee shall be composed of two students appointed by the student government president, two faculty, and one each of classified professional and certified employees all appointed by the College President. No committee members may have a material interest in or knowledge of the issue on appeal. The Student Appeals Committee shall receive for review and information all written materials relevant to the appeal which will be independently reviewed by committee members. The committee may collect additional information it deems necessary to rule on the question. The Student Appeals Committee will schedule a meeting on the appeal after written materials have been reviewed and invite the appealing student and College employees earlier involved in the appeal process to present evidence and clarify any of the written materials. Other parties may be invited by the Student Appeals Committee to speak with it if necessary. Committee members may question all participants regarding written or verbal statements. The committee may select its own chair, devise its own rules, may limit discussion, and otherwise conduct the meeting as it deems fair and appropriate.

4. The Student Appeals Committee will make its recommendation in writing on the dispensation of the appeal to the appropriate senior level College official. The senior official will review the committee recommendation and all supporting documents with the committee chair. The committee’s recommendation is advisory and the senior official will render a written decision on the appeal to all involved parties within five class days of receipt of the committee recommendation. The decision on the appeal at this level is final.

MINIMUM STANDARDS OF ACADEMIC PROGRESS

All students must meet guidelines regarding academic probation and suspension. Students receiving financial aid must meet additional requirements.

ACADEMIC PROBATION, SUSPENSION, AND READMISSION GUIDELINES

Each student is expected to make minimum academic progress while enrolled at Jefferson College. A student is considered to be making minimum progress if he or she maintains a cumulative grade point average (GPA) of at least 2.0. A student whose progress falls below minimum requirements shall be placed on academic probation. The student will be notified of the probationary status and informed of resources available for academic improvements.

If the student’s cumulative grade point average remains below 2.0 at the end of the probationary term, the student will be placed on academic suspension and will not be allowed to enroll or remain in classes for subsequent terms. The student must appeal the suspension if he or she wishes to enroll in subsequent terms. Information regarding the academic suspension appeal process and procedure is available in the Office of the Vice President of Student Services.

FINANCIAL AID GUIDELINES

Financial aid is intended to assist students as they make successful progress towards completing a degree. Therefore, financial aid recipients must demonstrate satisfactory academic progress. In turn, the U.S. Department of Education mandates that Jefferson College define, establish, and enforce minimum standards of satisfactory academic progress for students receiving financial assistance.

The College’s satisfactory academic progress (SAP) policy is based upon cumulative progress, including non-degree and degree hours attempted. It applies equally to new, continuing and transfer students. There are several factors that affect satisfactory academic progress and a student’s eligibility to participate in the financial aid programs administered by Jefferson College.

 GRADES

   Successful completion is defined as receiving a grade of A, B, C, or D.

   A grade of “F” (Failure), “W” (Student-Initiated Withdrawal), “WX” (Administrative Withdrawal), “H” (Audit), or “I” (Incomplete) is considered unsatisfactory. All coursework must be completed within the regular semester time frame.

   Although the College allows a student to take an Incomplete grade in a course and complete the course in the following semester, the course was not completed in the specified time frame, and the grade is therefore unsatisfactory for financial aid purposes. Students who wish to Audit a course must declare this intent prior to the start of the course, as this course is not part of the degree program.

   Is it better to withdraw or take an F?

   This is a frequently asked question. A “W” will not affect the grade point average, but it will adversely affect the attempted vs. earned ratio. A grade of “F” will negatively affect both. It is advisable to consult with the Student Financial Services Office to assist with this decision.

 GRADE POINT AVERAGE

   Financial aid recipients are required to maintain a cumulative grade point average of 2.0 or above.
**HOURS ATTEMPTED VS. HOURS EARNED**

Students must complete a cumulative total of 67% of all coursework attempted, including degree and remedial coursework within all parts of term. Coursework attempted during all semesters, including fall, spring, and summer will be evaluated. Transfer credit accepted from other colleges and universities will be included in the number of credit hours attempted and earned.

*Example:*

In the fall, Jane Doe attempted 15 credit hours and completed nine. She withdrew from two, three-credit hour courses. Jane completed 60% of the coursework she attempted. This is below the minimum standard of 67%. Therefore, Jane is on financial aid warning going into the spring semester. While on warning, she can continue to receive financial aid. However, she must carefully consider the number of credit hours she attempts in the spring.

In the spring, Jane attempts nine credit hours and completes all of them. Now, her cumulative record shows that she has attempted 24 and completed 18. She has improved her standing and now has completed 75% of all coursework she has attempted. Now Jane is back in good standing and removed from financial aid warning.

However, if Jane did not improve her attempted vs. earned ratio at the end of the spring semester, she would have been placed on financial aid suspension and, therefore, ineligible to receive financial aid in future semesters, unless she successfully appeals her suspension.

**MAXIMUM TIME LIMITS**

Financial aid recipients must complete their specified degree program within 150% of the published length of the academic program.

For example, if the hours required for the Associate of Arts (AA) degree is 62 credit hours, the maximum hours allowed for an AA degree-seeking student would be 93 credit hours. See the “Minimum Standards of Academic Progress” brochure issued by Student Financial Services for each program’s maximum hours allowed.

In addition, if a student previously graduated with a degree from Jefferson College, they may be suspended from receiving financial aid if they cannot complete their new program requirements within their time frame.

Also, the U.S. Department of Education will not permit the College to issue financial aid for coursework not required for completion of the student’s declared program at that school. Please confirm with the Office of Enrollment Services that all courses for which you are registered are needed for completion of your program of study.

**WHAT HAPPENS IF I FAIL TO MEET MINIMUM STANDARDS OF SATISFACTORY PROGRESS FOR FEDERAL FUNDS?**

**FINANCIAL AID WARNING**

Students may continue to receive assistance for one additional semester, but must regain satisfactory academic progress by the end of the warning semester or aid will be suspended.

**FINANCIAL AID SUSPENSION**

Continued failure to meet satisfactory academic progress will result in financial aid suspension. Financial aid suspension means the termination of all federal and state financial aid.

**CAN I GET FINANCIAL AID FUNDS REINSTATED?**

A student may regain eligibility to participate in the financial aid program once the minimum standards of academic progress have been reached.

**STUDENT’S RIGHT TO APPEAL FINANCIAL AID SUSPENSION**

In the event of extenuating circumstances, a student on financial aid suspension may request to be continued in the financial aid program through a written appeal submitted with appropriate documentation to Student Financial Services. The Financial Aid Appeals Committee will review all written appeals and notify the student of the results. Further instructions related to the appeal process will accompany the letter of suspension.

**EXCEEDED MAXIMUM TIME FRAME APPEALS**

To assist individuals pursuing a second career or working toward a new program of study, students who have reached their maximum hour limits are permitted to appeal to continue on an academic plan that extends their time frame for financial aid eligibility.
FINANCIAL AID PROBATION
If a student’s financial aid appeal is approved, the student will be placed on financial aid probation. A student placed on probation may continue to receive aid as long as the student meets the conditions of his/her academic plan. At minimum, the student’s Financial Aid Probation Academic Plan requires a student complete 100% of all coursework attempted each term with a minimum grade point average of 2.0. Additional conditions are listed in each student’s plan. Failure to meet the conditions of the financial aid probation will result in loss of financial aid eligibility.

US DEPARTMENT OF EDUCATION RETURN OF TITLE IV FUNDS POLICY
Students who have been paid federal financial aid funds are required to earn these funds by attending classes through at least 60% of the period of enrollment. Students who quit attending or withdraw from all courses, but have already received their federal financial aid disbursement for the semester, may have been overpaid. If an overpayment occurs, the student is required to repay a portion of the funds to the school and to the U.S. Department of Education.

WHICH FINANCIAL AID FUNDS ARE AFFECTED?
The federal repayment policy affects students who have received assistance through the following federal financial aid programs:
- Pell Grant
- Supplemental Education Opportunity Grant (SEOG)
- Federal Direct Subsidized and Unsubsidized Loans
- Parent (PLUS) Loans

HOW IS THE OVERPAYMENT AMOUNT DETERMINED?
The overpayment amount is based upon the number of days in the semester the student completed. The more days the student has been in attendance, the less the overpayment. A federally mandated formula is used to calculate the amount of the overpayment.

HOW DOES THE SCHOOL DETERMINE MY LAST DATE OF ATTENDANCE?
When determining a last date of attendance and calculating the portion of funds earned by the student, the institution must always use the student’s last date of an academically-related activity as indicated in official attendance records of the College and reported by faculty. A documented last date of attendance based on an academically-related activity must be used to determine a student’s unofficial withdrawal date. Furthermore, a documented last date of attendance based on an academically-related activity must also be used to determine the portion of aid earned by those students who officially withdraw from courses.

WHAT IF I FAIL TO BEGIN ATTENDANCE IN A COURSE?
Federal regulations require that students earn their financial aid funds by attending courses. If a student fails to begin attendance in a course, the school is required to reduce the student’s financial aid enrollment level and eligibility. If a student is not attending classes, the student is expected to complete the official withdrawal process of the College. To complete the withdrawal process, contact the Enrollment Services Office located in the Student Center.

WILL I BE AFFECTED IF I WITHDRAW FROM AN INDIVIDUAL COURSE?
This policy only applies to students who:
- Withdraw from or cease attendance in all classes prior to the 60% point of the semester.
- Fail all classes and cease attendance prior to the 60% point of the semester.

DO I SEND THE AMOUNT OF MY OVERPAYMENT TO THE SCHOOL OR TO THE U.S. DEPARTMENT OF EDUCATION?
If an overpayment of federal financial aid occurs, the student may be required to return a portion of the overpayment to the school and to the U.S. Department of Education. The College will return the overpayment to the U.S. Department of Education on the student’s behalf and bill the student for the valance due, allowing 45 days for repayment. Any unpaid balance due to the school will be subject to collection action.

Students may not use the next semester’s financial aid award to pay a past due balance incurred during a different loan period or financial aid award year.
WHEN WILL I KNOW IF I HAVE TO RETURN AN OVERPAYMENT?

The College reviews all student attendance and official withdrawal information throughout each semester. If a student is required to repay all or a portion of his or her financial aid, the amount will be posted to the student’s Jefferson College account and written communication accompanying a bill will be mailed.

This policy only applies to students who withdraw from all courses or students who stop attending all classes.

HOW CAN I AVOID GETTING INTO A SITUATION THAT WILL REQUIRE THE RETURN OF AN OVERPAYMENT?

Many students panic when they begin to struggle in classes. They will withdraw from all classes even though they may be doing well in one or two classes. Students should only withdraw from those classes that are giving them the most difficulty and attempt to finish as many classes as possible.

**IMPORTANT NOTICE**

Students verified to receive any form of federal, state, or institutional financial aid are prevented from being dropped from courses for non-payment. A student’s financial aid counts as anticipated payment, so if a student is not planning to attend the College, the student must officially drop all classes within the refund period, or the student may be held responsible for the semester’s charges.

FEDERAL STUDENT AID PENALTIES FOR DRUG CONVICTIONS

Students completing the FAFSA will encounter the question: “Have you been convicted for the possession or sale of illegal drugs for an offense that occurred while you were receiving federal student aid?” Students who answer “Yes” will be asked an additional series of questions to determine if the conviction affects their eligibility for federal student aid since a federal or state drug conviction can disqualify a student for federal student aid funds.

Convictions only count if they were for an offense that occurred during a period of enrollment for which the student was receiving federal financial aid—they do not count if the offense was not during such a period. Also, a conviction that was reversed, set aside, or removed from the student’s record does not count, nor does one received when the student was a juvenile, unless the student was tried as an adult.

A student who has been convicted of possession or sale of illegal drugs loses federal student aid eligibility for a period of time specified in law. The period of ineligibility depends on whether the conviction was for possession or sale of (including conspiring to sell) illegal drugs.

For convictions involving possession, the periods of ineligibility are as follows:
- 1st Offense: one year after the date of conviction
- 2nd Offense: two years after the date of the second conviction
- 3 or more Offenses: indefinite from the date of the third conviction

For convictions involving sale, the periods of ineligibility are as follows:
- 1st Offense: two years after the date of conviction
- 2 or more Offenses: indefinite from the date of the second conviction

REGAINING ELIGIBILITY

A student regains eligibility the day after the period of ineligibility ends or when the student successfully completes a qualified drug rehabilitation program or passes two unannounced drug tests given by such a program. Further drug convictions will make the student ineligible again.

Students denied eligibility for an indefinite period can regain it after successfully completing a rehabilitation program (as described below), passing two unannounced drug tests from such a program, or if a conviction is reversed, set aside, or removed from the student’s record so that fewer than two convictions for sale or three convictions for possession remain on the record. In such cases, the nature and dates of the remaining convictions will determine when the student regains eligibility.
A qualified drug rehabilitation program must include at least two unannounced drug tests and must satisfy at least one of the following requirements:

- Be qualified to receive funds directly or indirectly from a federal, state, or local government program.
- Be qualified to receive payment directly or indirectly from a federally or state-licensed insurance company.
- Be administered or recognized by a federal, state, or local government agency or court.
- Be administered or recognized by a federally or state-licensed hospital, health clinic, or medical doctor.

When a student regains eligibility during the award year, the student may be awarded Pell grant and Campus-based aid for the current payment period and Direct loans for the period of enrollment.

**CLASS ATTENDANCE POLICY**

Regular and punctual attendance is expected of all students. Students are not entitled to a certain number of absences; information presented in the classroom is critical in the learning process. Any one of these four options may result in the student being removed from the class and an administrative withdrawal being processed:

- Student fails to begin attendance
- Student ceases participation for at least two consecutive weeks
- Student misses 15 percent or more of the coursework
- Student misses 15 percent or more of the course as defined by the instructor

Individual programs may have more rigorous attendance and participation requirements. Jefferson College is an attendance taking institution. Weekly attendance reporting is required. At the beginning of the semester, the instructor will notify his or her students of the attendance and punctuality requirements for the class. Students earn their financial aid by regularly attending and actively participating in their coursework. If a student does not actively participate, he/she may have to return financial aid funds. Consult the Office of Student Financial Services for more details.

**ADMINISTRATIVE WITHDRAWAL**

Any student who fails to begin attendance or ceases participation for at least two consecutive weeks may be administratively withdrawn from the course(s). Additionally, any student who has sporadic participation in a course resulting in the student missing 15% or more of the coursework may be administratively withdrawn. Individual programs may have more rigorous attendance and participation requirements.

Any student who feels that the administrative withdrawal was executed unfairly or inaccurately can appeal the withdrawal within 10 calendar days of notification. The student must submit a written letter of appeal to the appropriate associate dean or director. A student who is administratively withdrawn will receive a grade of “WX” for the course(s) and will be financially responsible for all tuition and fees associated with the course(s).

An administrative withdrawal may only be granted through the official College withdrawal deadline for each course(s).

**FINANCIAL AID IMPLICATIONS RELATED TO ATTENDANCE**

Federal regulations require that students earn financial aid funds by attending and participating in courses. If a student fails to begin attendance in a course, the institution is required to reduce the student’s financial aid enrollment level and eligibility. Also, a last date of attendance based on an academically-related activity must be used to determine the portion of financial aid earned by those students who officially and unofficially withdraw from all courses. See the “Federal Overpayment Policy” brochure issued by Student Financial Services for additional details.

**WITHDRAWING, DROPPING, AND ADDING COURSES**

A student is officially a member of each course in which he/she has enrolled. To add, drop, or withdraw from a course, a student must complete and submit the appropriate paperwork at one of the Jefferson College locations by the designated date or complete the add, drop, or withdrawal process online. Deadlines for adding, dropping, or withdrawing from a course vary based on the length of the course and are available on the Jefferson College website. Students who have not paid, or made arrangements to pay tuition, may be subject to drop for non-payment.
REQUEST FOR MEDICAL WITHDRAWAL

If a student becomes seriously ill or critically injured and is physically unable to continue attending or participating in their classes, the student should withdraw from classes to avoid receiving failing grades. If the illness or injury occurs after the published withdrawal deadline has passed, a student may then submit a Request for Medical Withdrawal. For specific withdrawal dates for all courses, visit the Jefferson College website at www.jeffco.edu. Financial aid recipients should contact the Student Financial Services Office prior to withdrawing from classes to discuss how their financial aid status/eligibility may be affected.

The Request for Medical Withdrawal form is available under the Student tab in MyJeffco, and can also be obtained from the Vice President of Student Services Office, the Office of Enrollment Services, or at Jefferson College Arnold or Jefferson College Imperial.

Please note:
A medical withdrawal will not generate a refund of tuition charges and/or lab fees paid, nor will it remove a balance for assessed tuition charges and/or lab fees. A “W” grade will be posted on a student’s transcript for each withdrawn course, and the course(s) will count into attempted credit hours for financial aid purposes.

GRADE APPEAL PROCESS

1. If a student believes that a final grade for a course is not correct, the student should contact the instructor of record to determine why that grade was assigned. This communication may be conducted in person, in writing, or through electronic communication. This question should be asked as early as possible to allow for a rapid resolution of any administrative or clerical errors.

2. If no answer is received by the start of the next regular semester (Fall or Spring), or if the instructor’s response is not satisfactory, the student may initiate a formal grade appeal. The deadline for initiating a formal grade appeal is the first business day of the second week of the next regular semester (Fall or Spring). The student will contact the instructor by e-mail using an official Jefferson College account. The student will copy the message to the instructor’s associate dean (or designated institutional supervisor). The message must include the student’s full name, the CRN of the course (five-digit course registration number), the nature of the disagreement, and the student’s calculation of his or her final grade based on the course syllabus.

3. It is then the responsibility of the instructor to explain, making explicit references to the course syllabus, the determination of the course grade. That information will be sent to the student through an official Jefferson College e-mail account. The instructor’s associate dean (or designated institutional supervisor) will be copied on that message. The instructor has five business days after receiving the formal grade appeal to respond to it.

4. If the response provided by the instructor is deemed by the student to be insufficient, or if the student has not received a reply after five business days, the student may appeal the instructor’s decision to the appropriate associate dean (or designated institutional supervisor). This must be initiated no later than 10 business days after the initial request for a formal grade appeal. The correspondence should be made through a Jefferson College e-mail account.

5. The appeal of the instructor’s decision going to the associate dean (or designated institutional supervisor) should include the nature of the grade disagreement, a copy of communication between the student and the instructor, and a copy of the course syllabus. The associate dean (or designated institutional supervisor) then has five business days to investigate the issue and to transmit a response to the student through a Jefferson College e-mail account.

6. If the response provided by the associate dean (or designated institutional supervisor) is deemed by the student to be insufficient, or if the student has not received a reply within five business days, the student may appeal the decision of the associate dean (or designated institutional supervisor) to the associate dean. This should be initiated no later than 20 business days after the initial request for a formal grade appeal. The correspondence should be made through a Jefferson College e-mail account.

7. The dean of instruction will receive the same documentation provided to the associate dean (or designated institutional supervisor), with the additional inclusion of the response of the associate dean (or designated institutional supervisor). The dean of instruction then has five business days to investigate the issue and to transmit a response to the student through a
Jefferson College e-mail account.

8. If the response provided by the dean of instruction is deemed by the student to be insufficient, or if the student has not received a reply within five business days, the student may appeal the decision of the dean to the vice president of instruction (or designated institutional supervisor). This should be initiated no later than 25 business days after the initial request for a formal grade appeal. The correspondence should be made through a Jefferson College e-mail account.

9. The vice president of instruction will receive the same documentation provided to the dean of instruction, with the additional inclusion of the response of the dean. The vice president of instruction then has five business days to investigate the issue and to transmit a response to the student through a Jefferson College e-mail account.

10. The determination of the vice president of instruction is final.

   Note: In the event that an appropriate individual is unavailable to resolve the grade dispute during the designated time frame or there is a conflict of interest, Jefferson College will designate an appropriate institutional peer.

**JEFFERSON COLLEGE**

**DRUG-FREE WORK PLACE GUIDELINES**

Jefferson College makes every effort to provide a positive learning and working environment. In keeping with this philosophy, the College promotes a drug-free work place and condemns the improper use of narcotics, dangerous or illegal drugs, or intoxicants which substantially impair the individual’s performance.

Employees should realize that possession, use, and distribution of illegal substances are not permitted and that employees are required to notify the appropriate dean or College official of drug convictions and violations occurring at College activities or on College property.

Employees should realize that if drug and alcohol problems are not resolved, they could be subject to dismissal for adequate cause. The use of drugs or alcohol by students on College property, or at a College-sponsored activity is expressly forbidden by the Student Conduct Code and may result in disciplinary action; including suspension or expulsion and/or criminal prosecution.

It is the desire of the College to provide a wholesome and productive environment for both employees and students. If you experience a drug or alcohol-related problem, or become aware of a member of the College community with such a problem, we encourage you to attempt to facilitate a referral of this person for assistance to College or appropriate community treatment agencies or resources. The College intends to provide information on services that are available without endorsing any institutional or treatment procedure.

Jefferson College prohibits the unlawful possession, use, or distribution of drugs and alcohol by students and employees on its property or as any part of its institutional activities. Health risks associated with the use of illicit drugs and the abuse of alcohol range from temporary disorientation to permanent organ damage or death. The College will impose sanctions on students and employees, up to, and including expulsion from College or termination of employment, and referral for prosecution for violations of the College standards of conduct. Weapons or guns of any type are prohibited on the Jefferson College Campus.
