JEFFERSON COLLEGE OFFERS 5 ASSOCIATE DEGREES

**Associate of Arts (AA) degree** – A program of general studies designed for transfer to another college or university as part of a bachelor’s degree. Save time and money by starting at Jefferson College!

**Associate of Arts in Teaching (AAT) degree** – Designed for education majors who plan to transfer to another college or university as part of a bachelor’s degree. Those who want to become certified to teach Early Childhood, Elementary, Middle School, or Secondary Education should follow this course of study.

**Associate of Science (AS) degree** – Designed for engineering students to transfer to a university as part of a bachelor’s degree. Students can earn credits toward the following engineering options: Aerospace, Agricultural, Ceramic, Chemical, Civil, Electrical, Engineering Management, Food Biochemical and Environmental, Geological, Geology and Geophysics, Industrial, Metallurgical, Mechanical, Mining, Nuclear, and Petroleum Engineering.

**Associate of Fine Arts (AFA) degree** – Designed for transfer to another college or university as part of a bachelor’s degree in art or music.

**Associate of Applied Science (AAS) degree** – Designed for entry-level employment through practical and theoretical courses. Choose from over 20 outstanding programs!

With the Core 42 Transfer program, designated Associate of Arts credits are **guaranteed to transfer** to any Missouri public 4-year university (and several private universities) to satisfy general education requirements.
