The AAT Academic Planner will help you plan the courses you need to complete in order to earn the AAT at Jefferson College.

Intended Initial Area of Certification (Check):

- Early Childhood Education (Birth – Grade 3)
- Elementary Education (Grades 1 – 6)
- Middle School Education (Grades 5 – 9)
Subject area(s): English Math Science Social Studies
- Secondary Education (Grades 9 – 12)
Subject area(s): _____
- Special Education (area): _____
- Other (specify): _____

Steps to Take To Complete This Planner

Note: You should use a **pencil** to complete the checklist.

1. On the **AAT Checklist** on the back of this page, mark an **X** in the appropriate column of courses you have already passed (**Passed**) or are taking in the current semester (**Now**).
2. Look at the remaining classes you need to take. While considering prerequisites and sequencing of courses, identify the courses you should take during your **next semester**. Mark an **X** in the **Next Sem.** column for each course.
 - Consult the **Resource for AAT Planning** to help you identify some of these courses.
3. For each course you need to take **after next semester**, indicate the semester and year you plan to take it in the **Future Semester** column. One way to do so is to use **F** (fall), **SP** (spring), **SU** (summer) and include the year, e.g., F15 for Fall 2015.
4. Complete the **Class Choices for Next Semester** and **Following Semester** tables. (Indicate the **Course Number**, **Day(s)** and **Times** the class section meets, the **CRN** from the online course schedule, and number of **hours**.)

Keep this Academic Planner, and update it every semester until you earn your AAT.

- Updating this planner will help ensure that you complete the necessary requirements to earn your degree.
- Use the planner to help you determine the courses in which you should enroll each semester. Then, meet **with one of the Teacher Education Program faculty** to review your plans **before registering** for classes for next semester.

Additional Notes

Note: The **certification area** you intend to pursue and the **four-year program** you plan to attend will determine some of the courses you need to take. To identify these courses, complete the following steps.

- Consult a representative from your four-year program.
- Refer to the **Resource for AAT Planning**, e.g., Special Considerations Regarding Completing AAT Degree Requirements.

Recommended Electives

If you have **space** in your schedule to take additional classes, you should choose from among the following that may/will meet requirements for your four-year degree. (Refer to requirements from your **four-year program**.)

** You need to take SOC 101 and ECO 100 for ECE, Elem. Ed. or Middle School **certification**. However, you do **not** need to take them in order to earn your AAT.

Option 1: Early Childhood Education (Birth - Grade 3)

Choose from **among** the following recommended electives:

- SOC101 General Sociology (3) (Required for certification)**
- ECO100 Intro to Economics (3) (Required for certification)**
