One of the goals of the Cultural Diversity Committee in cultivating PACE events is to bring the campus and community together through exciting, interactive, and intimate experiences of arts and culture. We program events that will entertain, educate, and enrich the lives of our campus and community members, and we ensure that while you may pay top dollar to have experiences like these elsewhere, at Jefferson College, you won't have to break the bank. For less than you would pay for a single event at most major venues, you can purchase a season pass for an entire year's worth of entertainment (and free parking) right here in your own backyard. This idea of pairing unparalleled quality with accessibility is the hallmark of PACE, and reflects the mission of Jefferson College.

Look for our NEW 2014-2015 PACE Schedule this Fall!
