A Note from the Director:

*I must admit – I absolutely LOVE musicals!
I love the characters and the story and the music!
It all seems to come together and you're singing the tunes
out of the theatre and into the car. It stays with you and hopefully, in a
good way. Well, with this production, you're in for a
special treat if you love musicals as I do and you love singing
the songs for days after the performance.*

*"The Musical of Musicals the Musical!" brings the audience
five different musicals all rolled into one production.*

It is the same plot device – "I can't pay my rent!"

You'll find the same four characters in each scene.

*You'll have the ingénue who can't pay her rent,
the hero who loves her, the villain who wants his rent,
and the matron who advises all. The special twist is
that even with the same plot and same characters,
you'll find a whole new way of looking at it with each scene.*

*That's because each scene is performed in
the style of a different composer.*

All together it makes for one truly fabulous production!

So sit back, relax, and enjoy our production.

And we all hope when you leave the theatre, you leave it singing!
