Program Description: The Accounting degree is for those who wish to obtain an Associate of Applied Science degree and enter the workforce upon completion. The program provides an in-depth study of accounting to prepare students to work as entry level accountants and bookkeepers.

Admission Requirements: There are no specific admission requirements for this program. Accounting coursework requires reading and a level of math proficiency. Certain general education coursework requires specific measures for placement. See www.jeffco.edu/future-students/admissions/math-english-placement or consult an advisor for more information.

Department Faculty Advisors: Dr. Cindy Rossi and Mrs. Kathy Johnson

Associate Dean: Dr. Terry Kite

Employment Outlook/Median Salary*:
