CODE3 CME COURSES

EMT TRANSITION REFRESHER
Covering the required 24 hours of transition material needed for EMT-B providers to transition by 2016, this course can also fulfill the 24-hour flex and mandatory core content for the NREMT EMT Refresher. Approved by CECBEMS as an F5 course.

EMT, AEMT, AND PARAMEDIC TRANSITION REFRESHER
Designed to mirror real-life work environments, this course trains all EMT, AEMT, and paramedic providers in the same 48-hour, NREMT-accepted refresher course. Approved by CECBEMS as an F5 course.

CRITICAL CARE PARAMEDIC TRANSPORT REVIEW
Prepares paramedics to provide advanced critical care during inter-facility transports. This course is nationally accredited though CECBEMS and BCCTPC. Approved by CECBEMS as an F5 course.

CODE3 ANYWHERE, ANYTIME REFRESHER MODULES
Self-paced Anywhere, Anytime Modules provide 1-year of unlimited access to more than 100 dynamic training modules that are all CECBEMS approved as F3 courses.

Additional courses also available. Visit www.jeffco.edu/node/1686 for a complete list.

ABOUT CODE3 CME

Code3 CME provides nationally accredited EMT and paramedic refresher and recertification training. The entirely online format of Code3 CME’s training provides self-paced and instructor-led courses that offer complete learning flexibility to suit the needs of every department. Founded by a licensed critical care paramedic who has more than 20 years of EMS experience and serves as an officer in an Air Force Reserves aeromedical evacuation squadron, Code3 CME’s training is designed to provide exactly the education EMS professionals need. Self-paced training and instructor-led courses are available to meet both the NREMT and state renewal requirements, and all programs are nationally accredited by the Continuing Education Coordinating Board for Emergency Medical Services (CECBEMS).
