• Vocabulary and General Knowledge (50 minutes)
• Grammar (50 minutes)

Math:
• Basic Math Skills (50 minutes)

In general, students are not allowed to use a calculator when testing. However, students with documented disabilities may request the college’s Accommodation Subcommittee to approve the use of a basic 4 or 6 function calculator. Students will need to make arrangements in advance for this and any other possible accommodation. Contact Disability Support Services for more information.
