

CARES Act Student Survey

Jefferson College will receive Coronavirus Aid, Relief, and Economic Security (CARES) Act funds for emergency financial aid grants to support students with expenses associated with the disruption of campus operations due to COVID-19.

Funds may be available to help qualifying degree or certificate-seeking students address educational costs pertaining to the student's move from face-to-face to online learning, such as internet, hardware/software needs, or school supplies. Additionally, for those who were or would be using the institution's on-campus resources, grants may be available to support services now unavailable during the campus closure like food, housing, or childcare.

CARES emergency grant recipients must be Title IV eligible. This includes having completed a 2019-2020 FAFSA and outstanding financial aid application materials. Students on financial aid suspension are not eligible. Students who have withdrawn from courses and online only students may not be eligible for these grants per the U.S. Department of Education.

For CARES emergency grant consideration, please complete the following brief survey identifying your relevant financial hardships. If none apply, please select none of the above. Thank you for your time.

Your answer

With all campus operations moved online due to COVID-19, I would like financial assistance to cover: *

- Internet connectivity services
- Computer hardware, software, or other technology
- School supplies or materials for working at home
- NONE of the Above

The COVID-19 disruption to campus operations has resulted in my need for financial assistance for: *

- Food or personal care items - because I can no longer access the Vikings Vault Food Pantry
- Housing - because I had been residing in Viking Woods
- Child care expenses - because my child attended the Child Development Center
- NONE of the Above

I certify for the U.S. Department of Education that my responses concerning my expenses related to the disruption of campus operations due to coronavirus are true. *

- Yes
