Estimated Additional Expenses

There are expenses that may be incurred in addition to class tuition and fees. Expenses may vary from the estimates listed.

Not included in the total are costs related to clinical experiences, such as gas to/from clinical sites. Students may have to drive up to 75 minutes each way to a clinical site. Clinicals occur twice weekly for five weeks during the fourth semester (Summer II), five days a week for two weeks during the fifth semester (Fall II), and five days a week for twelve weeks at two different locations during the final semester (Spring II).
