

Documentation Requested for Physical Disorders and Other Chronic Health Conditions

For physical disorders and other chronic health conditions, the documentation must be dated within the last year, on office letterhead, typed and signed by a licensed physician specializing in the area for which the diagnosis is made. In addition, the documentation must be mailed or faxed from the medical professional office directly to the Accessibility Resource Office. Hand carried copies will not be accepted.

The documentation must provide:

- A specific diagnosis
- Date of the evaluation
- Method of evaluation or examination
- An explanation of the current functional limitations
- An explanation of how the disability would affect the student in an academic setting
- Any possible limiting or negative effects of medication on behavior or cognitive abilities
- Recommendations and the rationale for each accommodation
