

The Academic Plan is a semester-by-semester plan for the **full-time** evening student.

ACADEMIC PLAN		NOTES
Pre-Requisites for RN Evenings	Cr Hrs.	Pre-requisites
Current LPN Licensure with IV Certification	18	Must provide a copy of current undisciplined LPN license and official transcript of practical nursing coursework with IV certification to the nursing office.
BIO211 Anatomy and Physiology I	4	Grade of "C" or better within 5 years of program start date.
BIO212 Anatomy and Physiology II	4	Grade of "C" or better within 5 years of program start date.
PSY101 General Psychology	3	Grade of "C" or better
PSY205 Life Span Human Development	3	Grade of "C" or better
Total Hours	33	

Winter Intersession		
RNR 138 Intro to Bridging	1	Grade: Pass/Fail (Requirement for bridge students based on conditional acceptance).
Total Hours	1	

Spring Semester		Semester 1
RNR210 Nursing Transitions and Trends	3	Grade of "B" or better
RNR225 Psychiatric Nursing/Clinical	4	Grade of "B" or better
RNR230 Adult Health Nursing I/Clinical	6	Grade of "B" or better
(*) BIO113 Microbiology for the Health Sciences	4	Grade of "C" or better. Course may be taken prior to admission into the nursing program. Must be completed by the end of the Spring semester.
(*) ENG101 English Comp I	3	Course may be taken prior to admission into the nursing program
Total Hours	20	

Summer Semester		Semester 2
RNR220 Pediatrics and High Risk OB Nursing/Clinical	4	Grade of "B" or better
(*) ENG102 English Comp II or COM100 Fundamentals of Communication	3	Course may be taken prior to admission into the nursing program
Total Hours	7	

Fall Semester		Semester 3
RNR250 Adult Health Nursing II/Clinical	6	Grade of "B" or better
RNR260 Nursing Capstone/Clinical	4	Grade of "B" or better
(*) HST103 U.S. History I or HST104 U.S. History II or PSC102 U.S. and Missouri Government and Constitution**	3	Course may be taken prior to admission into the nursing program
(*) Computer Literacy (CIS125 or by Examination)	3	Grade of "C" or better. Course may be taken prior to admission into the nursing program. Students have the option to test out of Computer Literacy: contact the Testing Center at 636-481-3147 for more information.
Total Hours	16	(*) These courses are required for the AAS degree.

Program Description: Bi-Level Nursing Program – Level II Registered Nurse (Evenings)

The Bi-level Nursing Program is committed to the development of both practical and professional nursing. Level II is an Associate of Applied Science degree program leading to eligibility for licensure as a Registered Professional Nurse (RN).

The evening program is **full-time** and can be completed within 12 months (3 semesters: Spring/Summer/Fall).

Progression Requirements from Level I/ LPN to Level II/ RN:

The Bi-level Nursing program is a one plus one program. All students are expected to progress from Level I/PN to Level II/RN. However, to ensure student success the following criteria must be met:

1. Maintain a cumulative **85%** average in all Level I/PN courses.
2. Must successfully complete NCLEX-PN exam leading to licensure as a Licensed Practical Nurse (LPN) by the last day of the first eight-week session of enrollment in Level II/RN. In the case that the student fails licensure as an LPN, the student must officially withdraw from all nursing courses by the designated withdrawal date to avoid receiving an 'F'.
3. Student must meet the benchmark score on a majority of the standardized integrated examinations given to students in Level I/PN nursing courses. If student fails to achieve the required minimum benchmark, a version of the exam may be retaken one time, following exam remediation, within five days of first exam. Please note, only the first attempted grade is applied toward course grade.

*Failure to complete any of the above criteria will prevent progression to Level II/RN and result in student-initiated withdrawal from the nursing program. Any Level I/PN student **not** progressing with the cohort will be considered a bridge student and therefore must meet all bridging student requirements.*

Admission Requirements to Level II / RN (Bridging):

1. **Apply** to Jefferson College and provide *official* transcripts to the Office of Enrollment Services either electronically or by mail to 1000 Viking Drive, Hillsboro, MO 63050. Meet with an Advising Specialist: advisor@jeffco.edu or 636-481-3209/797-3000, ext. 3209.
2. **HESI Mobility Entrance Exam:** To be considered for admission a candidate must earn a minimum of 850. HESI Mobility scores range from 0 – 1,000, and can be as high as 1,500 (depending on the difficulty level of the exam). 850 is the minimum requirement. However, HESI's recommended level of performance is 900 and above for all scores provided. **Exam Fee:** The HESI Mobility exam fee is \$60.00 to be paid at the cashier's window prior to testing.
Study guide: "HESI Comprehensive Review for the NCLEX-PN Examination," Ed. 5, ISBN 978-0-323-42933-7.
3. **GPA of 2.8** (on a 4.0 scale). GPA is calculated utilizing Level I/PN and Level II/RN pre-requisite and co-requisite courses.
4. **Pre-requisites:** Students must meet all pre-requisite requirements prior to application.
 - Undisciplined Missouri Licensure as an LPN with I.V. Certification
 - BIO 211 Anatomy & Physiology I - *completed with a grade of "C" or better within 5 years of the program start date.*
 - BIO 211 Anatomy & Physiology II - *completed with a grade of "C" or better within 5 years of the program start date.*
 - PSY 101 General Psychology - *completed with a "C" or better.*
 - PSY 205 Life Span Human Development - *completed with a "C" or better.*
5. The application for admission, application deadline, and application fee and submission information may be found on the nursing website at www.jeffco.edu/nursing > Application Process > Pre-Admission FAQs *and* Level II RN Bridge.

Admission is competitive; the Admission Progression Retention (APR) Committee chooses the final selection of applicants based on the following criteria: HESI Mobility score, nursing pre/corequisite GPA and course completion rate.

Department Faculty Advisors: April Norton-Gunther, Sarah Akridge, Ashley Fry, Emily Gass

Director of Nursing: Amy McDaniel, MSN Ed., RN

Associate Dean, School of Science and Health: Kenny Wilson, MHS, PT, CHT, SCS, ATC

Employment Outlook/Median Salary 2019*			
<i>*Employment information based on current Bureau of Labor Statistics Occupational Outlook Handbook.</i>			
Career	Degree Level Required	Growth	Median Salary
Registered Nurse	Bachelor's degree	7% (Faster than average)	\$73,300 per year / \$35.24 per hour

Jefferson College Program Highlights: The Jefferson College Bi-level Nursing Level II/RN program has full approval from the Missouri State Board of Nursing (MSBN).

RN NCLEX board pass rate: 2020 was 86.40%, with a five-year RN board pass rate average of 82.85%.

Transfer Information: Transfer to a Baccalaureate Nursing Program. Jefferson College has a formal articulation agreement with Central Methodist University (CMU) for a seamless transition from the associate to the baccalaureate degree level.

For further/current information, please see the college catalog or www.jeffco.edu/nursing.
