Program Description: Bi-Level Nursing Program – Level I Practical Nurse (Evening)

The Bi-level Nursing Program is committed to the development of both practical and professional nursing. Students admitted to Level I/PN complete a course of study leading to eligibility for licensure as a Licensed Practical Nurse (LPN).

Level I / PN is offered as a **part-time** evening program with completion in 24 months. Students meeting progression requirements (i.e. maintain a cumulative 85% average in all Level I/PN courses) are automatically admitted to level II/RN.

Admission Requirements:

1. Complete a free Jefferson College application at www.jeffco.edu/admissions; provide **Official** transcripts to the **Admissions Office** at 1000 Viking Drive, Hillsboro, MO 63050. Meet with an enrollment specialist.
2. **HESI A2 Entrance Exam:** To be considered for admission a candidate must earn a minimum of 85% in three of the four tested areas and a minimum of 80% in the fourth area (Vocabulary, Basic Math, Grammar, and Reading Comprehension). There are 400 points possible on this exam. Cost of the HESI A2 is \$50.00 (effective July 1, 2019) to be paid at the cashier’s office prior to testing. Study guide: “HESI Admission Assessment Exam Review, Ed. 4”, ISBN 9780323353786 (first four chapters only).
3. After meeting the minimum HESI A2 test scores, the nursing program application can be obtained from the nursing office located on the Hillsboro campus in CTE 131 or by visiting www.jeffco.edu/nursing. The application deadline is the first Monday in October.
4. The nursing program application fee is \$30 to be paid to the cashier. Application is to be turned into the nursing office and **will not** be accepted without receipt of paid application fee, printed HESI A2 scores, printed course schedule, healthcare certification or licensure (see application process or PN selection rubric for more information: www.jeffco.edu).
5. **GPA of 2.8** (on a 4.0 scale). GPA is calculated utilizing Level I/PN and Level II/RN pre-requisite and co-requisite courses.
6. **Pre-requisites:**
 - Students must meet all pre-requisite requirements prior to nursing program start date.
 - BIO 211 Anatomy & Physiology I - *completed with a grade of “C” or better within 5 years of the program start date. The prerequisite for BIO 211 is BIO 101 (or high school Biology) and CHM 101 (or high school Chemistry) with grades of “C” or better within 5 years.*
 - PSY 101 General Psychology - *completed with a “C” or better.*
 - COL 100; COL 136; COL 101- First Year Experience - *This course **may not** be required for students who have previously completed 15 credit hours of college credit.*

Admission is competitive with the Admission Progression Retention Committee making the final decision for selection of applicants based on several criteria: [PN selection process rubric](#).
