Healthcare Certification and/or Licensure***

Bonus Point = 1

*GPA is calculated utilizing Level I and Level II pre-requisite and co-requisite courses (PSY 101, BIO 211, BIO 212, BIO 113, PSY 205, ENG 101, ENG 102 **or** COM 100, HST 103/HST104 **or** PSC 102). If ENG 102 **AND** COM 100 have been completed, the higher of the two grades will be utilized. If HST 103, HST 104 **AND** PSC 102 have been completed, the highest of the three grades will be utilized.

Students who have coursework in progress and have not yet completed required pre-requisite courses may apply for conditional approval of application. For those students, GPA will be calculated utilizing coursework done in preparation for nursing pre-requisites (BIO 101 or CHM 101). Successful completion of pre-requisite courses is required **BEFORE the start of the program.

*** Students who have proof of certification and/or license in one of the following healthcare fields will be awarded 1 "bonus" point to be awarded to the pre-requisite and co-requisite point column: CNA, CMT, MA completed at Jefferson College, PTA, OTA, LMT, EMT, Paramedic, and Rad Tech.
