**Description:**

The purpose of this class is to improve your ability to recognize suspects who may be medically impaired or impaired by drugs other than alcohol and, when you encounter such suspects, take appropriate action.

In this class, each of the seven drug categories will be discussed and students will learn what categories may be causing what they are observing roadside.

**Dress Code:**

The Center is a formal training environment for civilians and professionals alike. All students are asked to follow our dress code which consists of attire that is typically found in a professional office environment; T-shirts, tank tops, shorts, torn jeans or sandals are not appropriate in class.
