Law Enforcement Academy

A Missouri P.O.S.T. Certified Training Academy

a CALEA accredited training facility

Jefferson College Law Enforcement Academy offers the P.O.S.T. certified training and an Associate of Applied Science Degree in Criminal Justice in the same program

Jefferson College Law Enforcement Academy (JCLEA) offers three options for students pursuing a career in law enforcement.

For students *without* prior significant college credits (60+) the DAY and NIGHT programs are the best option.

JCLEA is the only academy in the state of MO that incorporates an Associate of Applied Science Degree and the training required for P.O.S.T. Class A licensing in the DAY & NIGHT programs.

The newest addition to the academy programs is the P.O.S.T. Only program. This program is for students who have already earned a 2-year, 4-year, or more degree from a regionally accredited college/ university, or have completed required general education prerequisites. The successful completion of the P.O.S.T. Only program, earns the student a Class A license to be a police officer in the state of Missouri.

The JCLEA DAY and NIGHT classes include P.O.S.T. and general education topics as they apply to the law enforcement field and the Associate of Applied Science Degree.

Specialized certifications are included in all three programs:

- ◆ Firearms
- ◆ Taser
- ◆ OC Pepper Spray
- ◆ Intoxilyzer ECIR/II BA
- ◆ Expandable Baton
- ◆ Type III Operator Permit
- ◆ First Responder
- ◆ Standard Field Sobriety Testing
- ◆ First Aid

Academy training also includes hands-on activities such as: Firearms, Defensive Tactics, Emergency Vehicle Operations Course, Driver Simulator, First Aid and practical training scenarios.

*VIRTRA (Virtual Firearms Training Simulator)
State-of-the art firearms training*
