However, it is often the student's wish that information be released to his/her parents, guardians, or other individuals who may seek information from the College.

As parent/guardian, by signing below, I am giving my student permission to dual enroll through Jefferson College. I am aware that in order to be eligible for early college through Jefferson College, students must meet the prerequisite requirements for the course(s) for which they wish to enroll. I am aware of the expectations of college courses. I accept responsibility for associated costs. I understand there are deadlines for dropping courses with a refund and for withdrawal from classes. I acknowledge that my student will have full access to college library resources, which may present a broader range of available titles and materials than a K-12 school, and unrestricted internet access. I acknowledge my student may use third-party online/electronic resources for educational activities that may require sharing the student's email and account profile.
