State of Hiram Wright

Eugene Tutthill will swear that he had some conversation with young Hiram a short time before the murder, in which he was told that he & the old man could not agree & he was a fool for doing the work he was doing & he replied that he would make him agree for he did not let him alone he would blow his damned brains out.

Hiram Irwin heard this same conversation.

Jack Sefton saw young Hiram place the silver mounted gun through the fence & point it at old Hiram a short time before the murder.

Mrs. Duggs heard Hiram threaten to kill the old man.

Thomas Mettles cut a bullet out of a tree at young Hiram, near same size as one that was found in DeCloud's head.

State of Missouri } In the Circuit Court
vs } Jefferson County
Hiram Wright } Nov Term 1869.

The defendant Hiram Wright comes and prays the Court to grant him a change of venue and order of removal of said cause from the Circuit Court of Jefferson County for the following reasons.

1st Because the minds of the inhabitants of Jefferson County are so prejudiced against him that a fair trial upon the indictment pending in the Circuit Court of Jefferson County against him for murder cannot be had.

2nd Because the Judge of the Circuit Court of Jefferson County is prejudiced against him in said cause.

He therefore prays that said cause may be removed to some Circuit, in which such prejudice does not exist.

Hiram Wright.

The above named defendant Hiram Wright being by me duly sworn upon his oath says that he does verily believe the causes

for a change of venue as set forth
in the foregoing petition do exist
and that the matters as stated
therein are true
