Divorce

Married 13 October 1872;
desertion

James D. Huskey, - Plaintiff } In the
Against } Circuit
Elizabeth Huskey, - Defendant } Court of
Jefferson County
Missouri, - Sept. Term 1874

The Plaintiff states that on the 13th day of October 1870, in Jefferson County in the State of Missouri, he was lawfully married to the Defendant; that Plaintiff continued to live with the Defendant from and after the day and year aforesaid as her husband, until the 27th day of May 1873; that during all that time, Plaintiff faithfully demeaned himself and discharged all his duties as the husband of Defendant, and at all times, treated her with kindness and affection; but the Defendant, wholly disregarding her duties as the wife of Plaintiff, sometime in March 1873, went off from home, and remained several days, neglecting her duties as wife of Plaintiff, and, on the 27th day of May 1873, without any just cause or provocation, the Defendant went away from home and utterly abandoned the Plaintiff, and has remained absent from Plaintiff ever since.

The Plaintiff therefore charges that the Defendant has absented herself from the Plaintiff, without a reasonable cause, for the space of one year, and upwards, since the marriage aforesaid. The Plaintiff further states that he has resided within this State one whole year next before the filing of this petition, and is now a resident of Jefferson County Missouri.

The Plaintiff therefore for the causes above stated, prays to be divorced from the bonds of matrimony contracted as aforesaid with the Defendant.

James D. Huskey
By Abner Green his
Attorney.

This Affiant, the above Plaintiff, makes oath and says that the facts stated in the above petition are true, according to the best knowledge and belief of the Plaintiff, and that the Complaint is not made out of levity, or by collusion fear or restraint, between the Plaintiff and the Defendant, for the mere purpose of being separated from each other, but in sincerity and truth for the causes mentioned in the petition of ^{his} James D. Huskey
