Against
Francis Joseph Newsbaumer, Defendant.

In the Circuit
Court of Jefferson
County, Missouri

The Plaintiffs, for amended petition filed by leave of the Court, state that on the first day of January 1870, they were legally entitled to the possession of the following described premises, situate in Jefferson County in the State of Missouri, to wit, the North East quarter of the North East quarter of Section No. Thirty two, in Township No. Thirty nine of Range No. Five East, containing Forty acres; also, the North West quarter of the North West quarter of Section No. Thirty three, in Township No. Thirty nine, of Range No. Five East, containing Forty acres. And being so entitled to the possession thereof, that the Defendant afterwards, on the second day of January 1870, entered into such premises, and unlawfully withholds from the Plaintiffs the possession thereof, to their damage in the sum of three hundred and fifty dollars,

Plaintiffs further aver that the monthly value of the rents and profits of said premises is twenty dollars. Wherefore the Plaintiffs demand judgment for the recovery of the said premises, and three hundred and fifty dollars, damages for the unlawfully withholding of the said premises from the Plaintiffs, and twenty dollars for monthly rents and profits from the rendition of judgment until ^{the} possession of the premises is delivered to the Plaintiffs, and for other proper relief.
