Indictment for an assault with
intent to kill. Nov Term 1835 -

The defendant in the above case makes
oath that ~~he has caused~~ William Smith and
Nancy Adams are material witnesses for him
on the trial of the above indictment and
that he expects to be able to prove facts by
them that he can prove by no other person.
This effort ~~remains~~ states that he has caused
a subpoena to issue from the office of the
clerk of this court for the said persons on
request last ~~under~~ which the sheriff of Jefferson
County has not been able to execute upon
said witnesses on account of their absence
from the state as it is said, that this effort
does believe he can procure the attendance
of said persons by the next term of this court
and that they are not absent by his counsel
or through his procurement and that this
application for a continuance is not made
in the purpose of delay but that justice
may be done
