The testimony of Coley, as follows, the deponent says that the first he saw of the prisoners who committed the outrage on the family & property of Mr Bankerton of Jefferson Co, was in St Louis before the Mayor of said city, ~~they were tried before~~ and two justices of the peace, the youngest called himself Mr Rogers, so far as recollected by deponent - the second who was tried before the justices court called himself, deponent thinks by the name of Mr Johnston - After the arrival of said prisoners in Jefferson County and after their further trial before justices Weaver & Boy? deponent & others questioned prisoners relative to their names, property taken from Bankerton & Johnston the eldest of the two made no confession, observing that the proof before the Judge was all sufficient without any acknowledgment on his part; the youngest Rogers, observed, that he would make what disclosures he could relative to the case provided he could have any assurance, that it would avail him any thing before the circuit court; those in charge, deponent & others observed, that in the event of the recovery of the property & a complete disclosure of all the new of the case; they would use their influence with the court in his behalf.

The prisoner then went on to say, that he was accessory & the gun taken was sold to a German over the Merimac in St Louis County, but disclaimed having taken any part in the robbery, more than to hold the candle - and that his true name was David Thompson And at a more convenient time he would make further disclosures

To the Hon. the Judge of the Jefferson

The petition of William Rogers  
who stands indicted as above would  
most respectfully shew to your Honor  
That the above criminal causes are  
now pending in this Court against him  
the above named William Rogers -  
and the said Rogers further states that he  
feels that he will not & cannot have  
a fair and impartial trial in this Court  
in which said causes are now pending  
on account, that the minds of the sub-  
stantials of the County are prejudiced against him - That for the above  
causes the said Rogers makes this petition  
and applies for a change of venue in

the above entitled cause to some other  
county of this Judicial Circuit where  
he can have a fair and impartial  
trial, as may appear most proper  
to this Court for the proper administra-  
tion of Justice - That this applicant  
is not made for the purpose of obtaining  
a delay - <sup>but that substantial Justice may be done</sup> and that he believes that if  
a fair & impartial trial can be  
had, that he can prove & show his  
innocence of the above charges  
and that such a trial in his case  
cannot here be had.

In consideration of the premises your  
petitioner would ~~he~~ pray this Court  
to grant him a change of venue  
or a removal to some other County  
on this Circuit of this Court
