Depositions of witnesses produced sworn and examined by the consent of parties to need in evidence in a cause now pending in the Circuit Court of Jefferson County wherein Philip Pipher public administrator is plaintiff of Jefferson County in charge of the estate of Mrs Ryan deceased is plaintiff and Eli Wiley is defendant on the part of the defendant.

Noah Harlow of lawful age being produced sworn and examined on the part the defendant deposes and saith that he married Nancy Husky who was the ^{grand} daughter of Mrs Ryan the wife of Mr Ryan deceased who ^{resides} at his old farm on Dry Creek in this County as he was informed. Depoent states that he verbally empowered Joseph ~~the~~ Walsh of the City of St Louis to attend to the settlement and collect a demand against Mrs Ryans estate which was ~~some~~ ^{his} in right of ~~my~~ ^{his} wife. Said Walsh was authorized by him to manage it in any manner he thought proper. //

Cross examined

States that he did not release any executor or administrator in this county who had charge of the estate. He did not release Mr Wiley from any liability in said administration.

Reexamined by defendant

States that if Mr Walsh had seen proper to give the demand up he does not know that he would have considered himself bound by it. But if Mr Walsh had seen proper to take

the property into his hands for the purpose
of settling with the heirs he was authorized
so to do. Walsh was interested in collecting the
debt and he considered that what would be
his interest would also be for the interest
of the witnesses

on a second cross examination
being asked if he authorized Mr Walsh
to release Mr Wiley, in any liability in taking
charge of the estate
