If the story goes that the *Hesperian* (an *Arctic* *Enterprise* from
a private source but not named as George Hildreth) were
seen on successive visits and while such facts other
at any time within one year before *October*, 1858, they
tell from their words & pictures *prominently* to emphasize
in the story that not *Everett* *San Francisco*, or by *John*
but *Everett* *three* *Memphis* *Atlanta* or by such words
you are *impressed*

Unless the thing we realize
from the evidence that the de-
servants did deserve, and knowingly
aided and abetted with each other
within one year next before the
fulfilling of their respective obli-
gations there!

It is not necessary that the state should present actual demands
in order to justify taxation, but the duty may arise
it from the circumstances in which you are
now situated

We the Jury find the defendants not Guilty
