1 - Of the jury believe that
Plaintiff was fined by the court,
and that Defendant was pro-
sent and was what kind of
work he was doing, and make
no objection to it, or desire to
discharge him. Then Defendant
is found to have ~~attracted~~
fines for the time worked by
himself

Refused

2 - If the King believe Deborah
received said work, and has
authorized it or any part of it
to his benefit, then he is bound
to pay what it is reasonably
worth.

Of the jury said from the evidence
that Sam did not do his work in a
good and workman like manner and
that the work was of no benefit to
Wilson they will find per abundant

Although the jury may find that
Wilson has appropriated the work
to his own use, yet if they find that
find that Wilson has substantially
restored himself by the use of the
work it so much they will find
