²
Cole } Witness Hews States -

I sold defendant a note I had, for \$65.00 - I was trading there with defendant. Two or three times I got my bottle filled with whiskey - It was a pint bottle. It was in the summer or fall or fore part of the winter of 1860 - It was before I was called as a witness before the Grand jury - Cannot say positive it was in the year 1860, but my best impression is it was in 1860 - It was in this County & not more than a year before December 1860.
