In the above
Circuit Court
June Term 1862

The State of Missouri To the use of
Jefferson County, states that heretofore to-
wit on the first Monday in August 1837
William Skeel one of said defendants was by
the qualified voters of Jefferson County duly
elected collector of said County for two years
commencing the said first ^{of Sept} Monday in August
1837: that said Skeel afterwards took an oath
of office required by law: that afterwards
to wit on the first day of October A.D. 1837
the said William Skeel as principal and Stephen
Osborne, Francis Sherman, Francis J. Smith
Mitchell McCormack, James L. McCormack
and Reid McCormack entered into, signed and
subscribed under their hands and seals, bond to
the State of Missouri in the full sum of Four
teen thousand dollars which bond was re-
cited for the faithful performance of the duties of the
said Skeel as collector of said County and the follow-
ing condition was thereunto written that is to say: That

Whereas the above bound William Skel has at the election held on the first Monday in August A.D. 1857 in the County of Jefferson, been elected collector of the Revenue of said County for two years and until his successor is elected and qualified: Now if the said William Skel shall faithfully and punctually collect and pay over all State and County revenue for the two years next ensuing the first day of Sept next and in all things ~~perform~~ faithfully perform all the duties ^{the duties of} collector according to law, then the above bond to be void else in full force and virtue as will more fully appear by the original bond, which is herewith filed and prayed to be taken as a part of this petition.

Plaintiff further states that by mistake the word "next" after the word the word "September" in the foregoing condition, was inserted instead of "last".

Plaintiff further states that at the October Term of the County Court of Jefferson County Mo. the said Court approved said bond but required by an order that the said Skel give an additional bond, and that in accordance with said order the said Skel as principal and Elisha Bernon, John Wyath, Hardy McCormack, William Stickland and George W. D. Weaverstick as securities executed under their hands and seals on the 15th day of October A.D. 1857 an additional bond unto the State of Missouri in the sum of

thousand dollars and that the following condition was thereunder written to wit: That whereas the above bound William Skel has at the regular election held in the County of Jefferson on the

first Monday of August 1839 been elected Collector of the said County of Jefferson: And whereas, the County Court of said County, ^{did} at the October Term thereof 1839 order that said William Steel should give an additional bond as such Collector: And if said William Steel shall faithfully and punctually collect and pay over all the State and County and Academy revenue for the two years ensuing the first day of September 1839 and shall in all things faithfully perform all duties of the office of Collector of the revenue according to law, then the above bond to be void, else to remain in full force; which bond and conditions will more fully appear by the original herewith filed and prayed to be taken as a part of this petition.

Plaintiff avers that the said William Steel did after his election and the filing of his oath of office and the bond aforesaid, as such Collector of the revenue of said County enter upon and undertake to perform the duties of the Collector of the revenue of said County for the two years next ensuing the first day of September 1839: That the said Steel received of the revenue for the two years next ensuing the first of September 1839 of the said County the sum of Sixteen thousand and seventy seven ¹⁵/₁₀₀ dollars, of which amount he has only accounted for and paid over the sum of Eleven thousand, nine hundred and fifty ⁶⁵/₁₀₀ dollars, leaving a balance against him as such Collector the sum of Four thousand one hundred and twenty six ⁴⁷/₁₀₀ dollars which he has failed to pay

to pay over to the Treasurer of the said County and for which he has failed in anywise to account,

Plaintiff further avers that at the January Term of the Jefferson County, for 1830 the County Court of said County - settled with said Skel as Collector of the revenue of said County for the year 1829 and that upon such settlement there was a balance found against said Skel as Collector as aforesaid, of Four thousand six hundred and fifty three ¹⁰⁰/₁₀₀ dollars which amount was ordered to be charged against Skel in his account with the County, and that at a settlement had with said Skel, Collector as aforesaid with said County Court at its January Term 1862, a balance, including the above balance, found against him of Four thousand one hundred and Twenty six ⁴⁹/₁₀₀ dollars which last balance said Skel has wholly neglected and failed to pay over to the County according to law.

Plaintiff therefore alleges that by reason of the said Skel Collector as aforesaid, not paying over to the said County the last balance above mentioned so found by said County Court at its January Term 1862 due by said Skel Collector as aforesaid, the conditions of the above bonds are broken, and said bonds forfeited -

Plaintiff therefore prays the Court to declare said bonds forfeited and to render judgment against said Defendants for the sum of Thirteen thousand dollars and to award to the State

of Missouri to the use of Jefferson County
an execution for the sum of Four Thousand
one hundred and twenty six 44 dollars the
balance of monies due by said Schul as aforesaid
together with interest at the rate of two and one
half per cent per month from the date of
the last settlement as aforesaid -

In the Jefferson
Circuit

The ^{mentioned below} defendants come
and demur to the plaintiffs petition and
assign the following Causes viz
1 Because there is a misjoinder of par-
ties and causes of action, that the
plaintiff cannot bring one suit against
the defendants, some of whom are secu-
rities on one of the bonds sued on and
not on the other bond sued on,
2 Because the petition does not show
facts sufficient to constitute a cause of
action or liability of the defendants on
the first bond set forth, in this it
does not appear that any money ^{was received} or defal-
cation took place for which the securities
of the first bond are liable.
3 The petition does not charge
what sums of money the securities on
either of the bonds is liable for and it
would be multifarious to try the liab-
ilities of separate securities at the same
time & in one suit

4 The petition is insufficient and
two causes of action are pending in same
court for the same subject matter

The State of Missouri
to use Jefferson County }
vs
William Skel et al }

The defendants William Skel, James McCormack, Reed McCormack, Mitchell McCormack, Hardy McCormack, Francis Sherman, William Strickland, Elisha Vernon, George W. D. Haverstick, Francis I. Smith for answer state that the County Court of Jefferson County has not at any time made a settlement with William Skel as collector as required by law for the revenue & county funds for 1859, that the said Court was required by law on the regular terms of said Court.

They further state that the County Court of Jefferson County ^{did not hold} ~~held~~ its regular term for 1859 on the 3^d Monday of December but failed to attach said Skel until he made a settlement to the satisfaction of the Court as required by law ^{his} ~~for~~ account of monies received by him on account of taxes and other sources of revenue for the year 1859.

They further state that said Court failed to call a special term to be held on a specified day in each year for the purpose of making the settlement required of said Skel as required by law. The defendants further state that said County Court did not at any time require or compel said Skel to settle for the taxes & monies received by him under the bond for the year ending in September 1859 up to the annual settlement

out agreed on the 3d Monday of December 1859, ^{on} at a Special ^{Term} called together by two Justices of the Court to be held on that day each year for the purpose of making settlement as required by law, the consequence of said Court failing to discharge their duties. Said Securities are released from the breaches of said bond for said Skel's defalcation for the revenue, taxes & moneys received by said Skel for the year 1859 to the time of delivering the tax books of 1860.

Defendants further state that the County Court of Jefferson County never made a settlement with William Skel as collector for the taxes ~~on~~ the County part of the revenue for the two books delivered to said Skel after his election about the first of September 1859, that there were no proceedings of record charging the same in any of the proceedings of said Court at any time that the Court failed to cause ^{at any time} a settlement with Skel for the County part of the revenue for 1859 to be entered of record so as to share the amounts due to the State & County respectively. By reason of which failure to discharge their duties, said Securities are forever released from payment of any part of the taxes on said Books for 1859.

Defendants further state the County Court made a ^{partial} settlement ^{in the absence of} said Skel at its regular term in January 1860, ^{for taxes of 1860} not in accordance with law but at this settlement

there was a balance found of \$4653.21 against
said Skel as collector that said Court made
another ^{partial settlement in the absence of} ~~settlement~~ of said Skel at its January Term
1862, and erroneously brought forward from
the settlement of January 1861, the sum
of \$4780.54 as the balance instead of \$4653.21
that the Court also erroneously brought into the
charges amounts for road tax which ~~had~~ was
included in the amount charged against
said Skel in his receipt for the two books
of 1860. ^{and said Court paid at the posting settlements in Jan 1861 & 1862 to give Skel one} ~~Defendants~~ state that these are the
only settlements made by said Court ~~for~~
Skel during the two years he was colle-
ctor except on one or two occasions the Court
charged him with licenses collected but not
with the entire revenue collected, that none
of these charges are in accordance with the
law to bind the securities, and irregular
& not as required by law & made in the absence of said Skel.

The securities of said Skel therefore
state that in equity they are discharged
from payment of any taxes or county bonds
collected by said Skel in consequence of
said Court failing to make settlements
with said Skel in accordance with law.

Defendants further state that said
Skel has paid large sums of money at
undry times to the County Treasury after
execution of said bonds in October 1859 and
has been allowed by the Court large cre-
dits at undry times, all of which pay-
ments & credits exceed the balance found
of \$4126.49 and they therefore state that no
part of it is due for the years 1859 & 1860

Defendants deny that William Skel as collector received of the revenue of Jefferson County for the two years next ensuing the first of September 1859, the sum of sixteen thousand and seventy seven dollars and fifteen cents as charged in petition.

It is true ~~as stated~~ that the Court charged Skel for \$11950.66 as stated but they deny that Skel received \$4126.49 over and above the sum of \$11950.66 & deny that defendants are liable for any further sum.

Defendants further state that they deny that there was a settlement of Skel with the County Court at its January Term 1860 by which a balance of \$4653.21 was found due from him ^{as collector} for 1859.

Defendants further state that William Skel did not collect all the taxes of the books of 1859 and 1860 that he could not by any delinquency collect large sums, that he returned a large delinquent list to the County Court of the taxes of 1859 & 1860 that the Court without any sufficient cause, neglected to give said Skel credit for the same amounting to a large sum. Defendant further states that he presented a partial list for 1859 & 1860 of delinquent taxes to the County Court in January 1863 & since at its April Term 1863 and was allowed \$245.49 for 1859 & 1860 that the Court should have allowed a larger list.

but failed to do so that the balance
not allowed by said Court has not
been collected & should not be charged
against defendants. In addition to which
said Skel did not collect large sums
for taxes of 1859 and 1860 for which
he should not be charged

Defendants finally say that said Skel
has fully paid up to the County of H
even & been allowed by the Court Clerk
to as large an amount as said Skel
has collected from the taxes, licenses &
all sources for the years 1859 & 1860

of defendants.

James P. Hesser, of lawful age
being duly sworn upon his oath
states, that his home is in Jefferson
County Missouri, and that he now
is in the service of the United States;
that during the years 1859-60, and
up to the fall of 1861, A. P.

Messer, was clerk of the Common
Court of Jefferson County
Missouri; and as such Clerk
made out in the year 1859-60
the tax books for said County,
and that said A. P. Messer, was
Deputy collector for William
Skell, collector of revenue of
said Jefferson County,
from the first of ~~October~~^{September}
till the middle of October 1859
there was collected on the tax
book for the year 1859, before
said book was delivered to
Wm Skell, collector, about
twelve hundred Dollars;
the tax book referred to, is the book
for the taxes of 1859;
that the credits of \$828.52 given to
Skell for payment to County
Treasurer of Jefferson County
dated October, 21, 1859, was
paid out of said twelve
hundred Dollars; witness states
that he was Deputy for A. P.
Messer, and remained in the
office until two three

months after his death I frequently
collected taxes for the years 1859-60
for my brother A. P. Hesser; at
the time I left the office I
think there was about twenty five
hundred to three thousand dollars
to collect for the years 1859-60
and that said amount
was not collected since;
I am very familiar with the
books; at the time I left
the taxes of James M. Hollenbach
for the years 1859-60 were not
paid; after the books of 1859-60
were made out ^{for} ~~in~~ the hands of
the collector, there was not
exceeding three or four hundred
dollars ^{collected} in the books of 1857
and 1858; in the tax books of
1857, the same tracts of land
were frequently ascribed to
different persons,

1. From the face of the petition it
appears that plaintiff's right of action
if she had any is barred by the
statute of limitations.
2. The petition should state the amount
of revenue due and not collected
for each year separately, & the amount
collected and paid over for each
year.
3. The petition is inconsistent in itself
in stating that the revenue for the
years 1857 & 1858 was collected, and
again stating that said Skell had

³

It is hereby agreed between John
L. Thomas Attorney for Jefferson County
and J A Beal & Philip Pipkin Attorneys
for Dependents in the above entitled
Cause that the following points may be
submitted to the Supreme Court regardless
of the question whether they may or may
not be taken on demurrer. To wit:

1. In an action on a Collector's Bond
must suit be commenced within
three years or five years after the expiration of his
term of office?

2. Are there any exceptions in such
Cases which would take a case out
of the operation of the Statute of limitations?
And if so, would the fact of the Collector
coming into the County upon notice or
otherwise & being a party to settlement
^{two years} after the expiration of his term of office
by which a balance is found against
him such an exception as would take
it out of the Statute of limitations as would
bind the Securitists.

Given under our hands & seals this
10th day of June 1864. J. L. Thomas Co. Atty. ^{Beal}
