By H. B. Wilson City.

I hereby certify that on the third day of
October 1859, I called on Mr H. B. Wilson
to inquire about the taking of some depositions
in a case of ~~A. W. Leffingwell~~ vs Silas Reed; &
I told him I thought the case had been settled,
& showed him the above instrument of writing
to substantiate what I said. He then admitted
that he had executed the said instrument of
writing above mentioned, but added that it
was now void. Mr Wilson also acted as

the attorney, in taking depositions in my
office on June 2nd 1859, on the part of
A. W. Leffingwell, & I have also al-
ways understood that he was Leff-
ingwell's attorney.

vs }
A W Lippincott } Appeal from Decision of
The Peace

Plaintiff comes and moves The Court to set aside the judgment of the Court dismissing the cause and to reinstate the same upon the docket and grant the Plaintiff a new trial for the following reasons to wit

1st Because The Court erred in dismissing the appeal when the appellant had filed a good and sufficient Bond before the motion to dismiss the appeal was disposed of or filed

2nd Because The Court erred in ~~making~~ the order requiring the appellant to file an additional Bond the first being amply sufficient

3rd Because The Court erred in striking the Bond for additional security from the files in order to give the Defendant an opportunity to move to dismiss the appeal

4th Because The Court erred in not giving the Plaintiff an opportunity to prove as he avers he is ready to do, that he had been misled and a fraud practiced upon him by the Defendant in making a compromise through his attorney of the cause and inducing the Plaintiff to believe that the cause would be compromised at the last term of this Court & hereby inducing Plaintiff to believe it would not be necessary for him to attend at the last term of this Court in as much as the cause would be finally disposed of at said term in pursuance of said

Agreement & without a trial

5" The Court erred in not allowing the appellant to prove as he avers he is ready to do, that he had used all diligents & filed said Bond as soon as he was informed that there was an ~~order~~ to that effect and in not allowing him to show that his Attorney had used diligents in endeavoring to give him information of the fact of the Court having made such an order

6" Because the rulings of the Court in dismissing the appeal in this cause was in violation of law and an undue exercise of the discretion of the Court.

Yours very, truly
