In the Circuit

County.

The Plaintiff states, that, on the 6th day of April 1861, Isaac Hunt & Bro, obtained ~~the~~ judgments before James S. Williams a Justice of the Peace, of Big River Township in Jefferson County Missouri, one for 28 dollars and interest, and the other for 74 dollars and 77 cents, against George Craig ~~the~~ the above defendant. That on the 6th of April 1861, executions were issued by said Justice returnable in 60 days, and were delivered to the Constable of said Township, and by him returned ^{on the 6 day of June 1861}, no property of the Defendant found whereon to levy the same. That, on the 8th day of April 1861 the said Isaac Hunt filed certified transcripts of said judgments in the Office of the Clerk of the Circuit Court of said County. - And that after the 6th day of June 1861, further transcripts were filed in said Office, showing that nothing could be made on said judgments. That, on the 29th day of July 1862, the Clerk of the Circuit Court of said County, issued

executions on said judgments, and delivered the same to the Sheriff of said County, who levied the same upon the following Tract of Land, as the property of said George Craig, to wit, the North West fractional quarter of Section No. Thirty two in Township No. Forty of Range No. Three East, containing one hundred and fifty nine acres, and $\frac{31}{100}$ of an acre, and situate in Jefferson County, Missouri. And that on the 10th day of January 1863, at the session of the Circuit Court of said County, the Sheriff being, the Circuit Court of said County, the Sheriff sold at public Sale the Land above described to satisfy said Executions, and the Plaintiff, Thompson Brown, being the highest bidder, became the purchaser of said Land and received a Deed for the same from said Sheriff, on the 17th day of June 1863. Plaintiff therefore states that, on the 17th day of June 1863, he was entitled to the possession of the Land above described and being so entitled to the possession thereof, the Defendant George Craig, afterwards, to wit, on the 18th day of June 1863, entered into such premises, and unlawfully withheld from the Plaintiff the possession thereof to his damage in the sum of five dollars. He further says the monthly value of the rents & profits of such premises is two dollars. Wherefore he demands judgment for the recovery of the premises, and five dollars damages for the unlawfully withholding of the same from Plaintiff, and two dollars for

The monthly rents & profits, from the rendition
of judgment until the possession of the
premises is delivered to plaintiff, and for other
and proper relief,
