Camp and Peter William Wilson & Daniel Bergan that Depomas was paid for both of said witnesses and placed in the hands of the Sheriff on the 9th day of May instant, and from him I learn that said witnesses cannot be found, but I expect to be able to procure their testimony at the next term of this Court. I expect to prove by said witnesses that the wood in controversy was not cut upon the land of said Stephen Osborn and that he had no interest or ownership therein, and is not entitled to recover therefor. I further say that I am satisfied that said witnesses are now absent from the State, but that they, nor either of them left with the knowledge of said Defendants, or this affiant, or by reason of the procurement fraud or collusion of Defendants or his Counsel and that I did not learn of their absence, until I handed the Depomas to the Sheriff on Tuesday last (where he expressed such an opinion.) and on Saturday last I received information from him that they could not be found.
