against
Jesse Kidd, defendant.

In the
Circuit Court
of Jefferson Co.
Mo.

Defendant states, that he did not wrong-
fully and without leave enter upon the lands
described in the petition of plaintiffs, and
cut down and carry away trees & wood,
standing, being and growing thereon to the
value of sixty dollars.

Defendant further says, that he has no
information or knowledge sufficient to form
a belief that plaintiffs are the owners of
the land, described in their petition, in
the manner, as therein stated.

Plaintiff Defendant alleges, that he
cut some wood on the land, aforemen-
tioned, in pursuance of an order and au-
thorization of one Benjamin Mules, who
then was and acted as agent of John
R. Sarpy, one of plaintiffs.
